EN PARTENARIAT AVEC NÉOHM

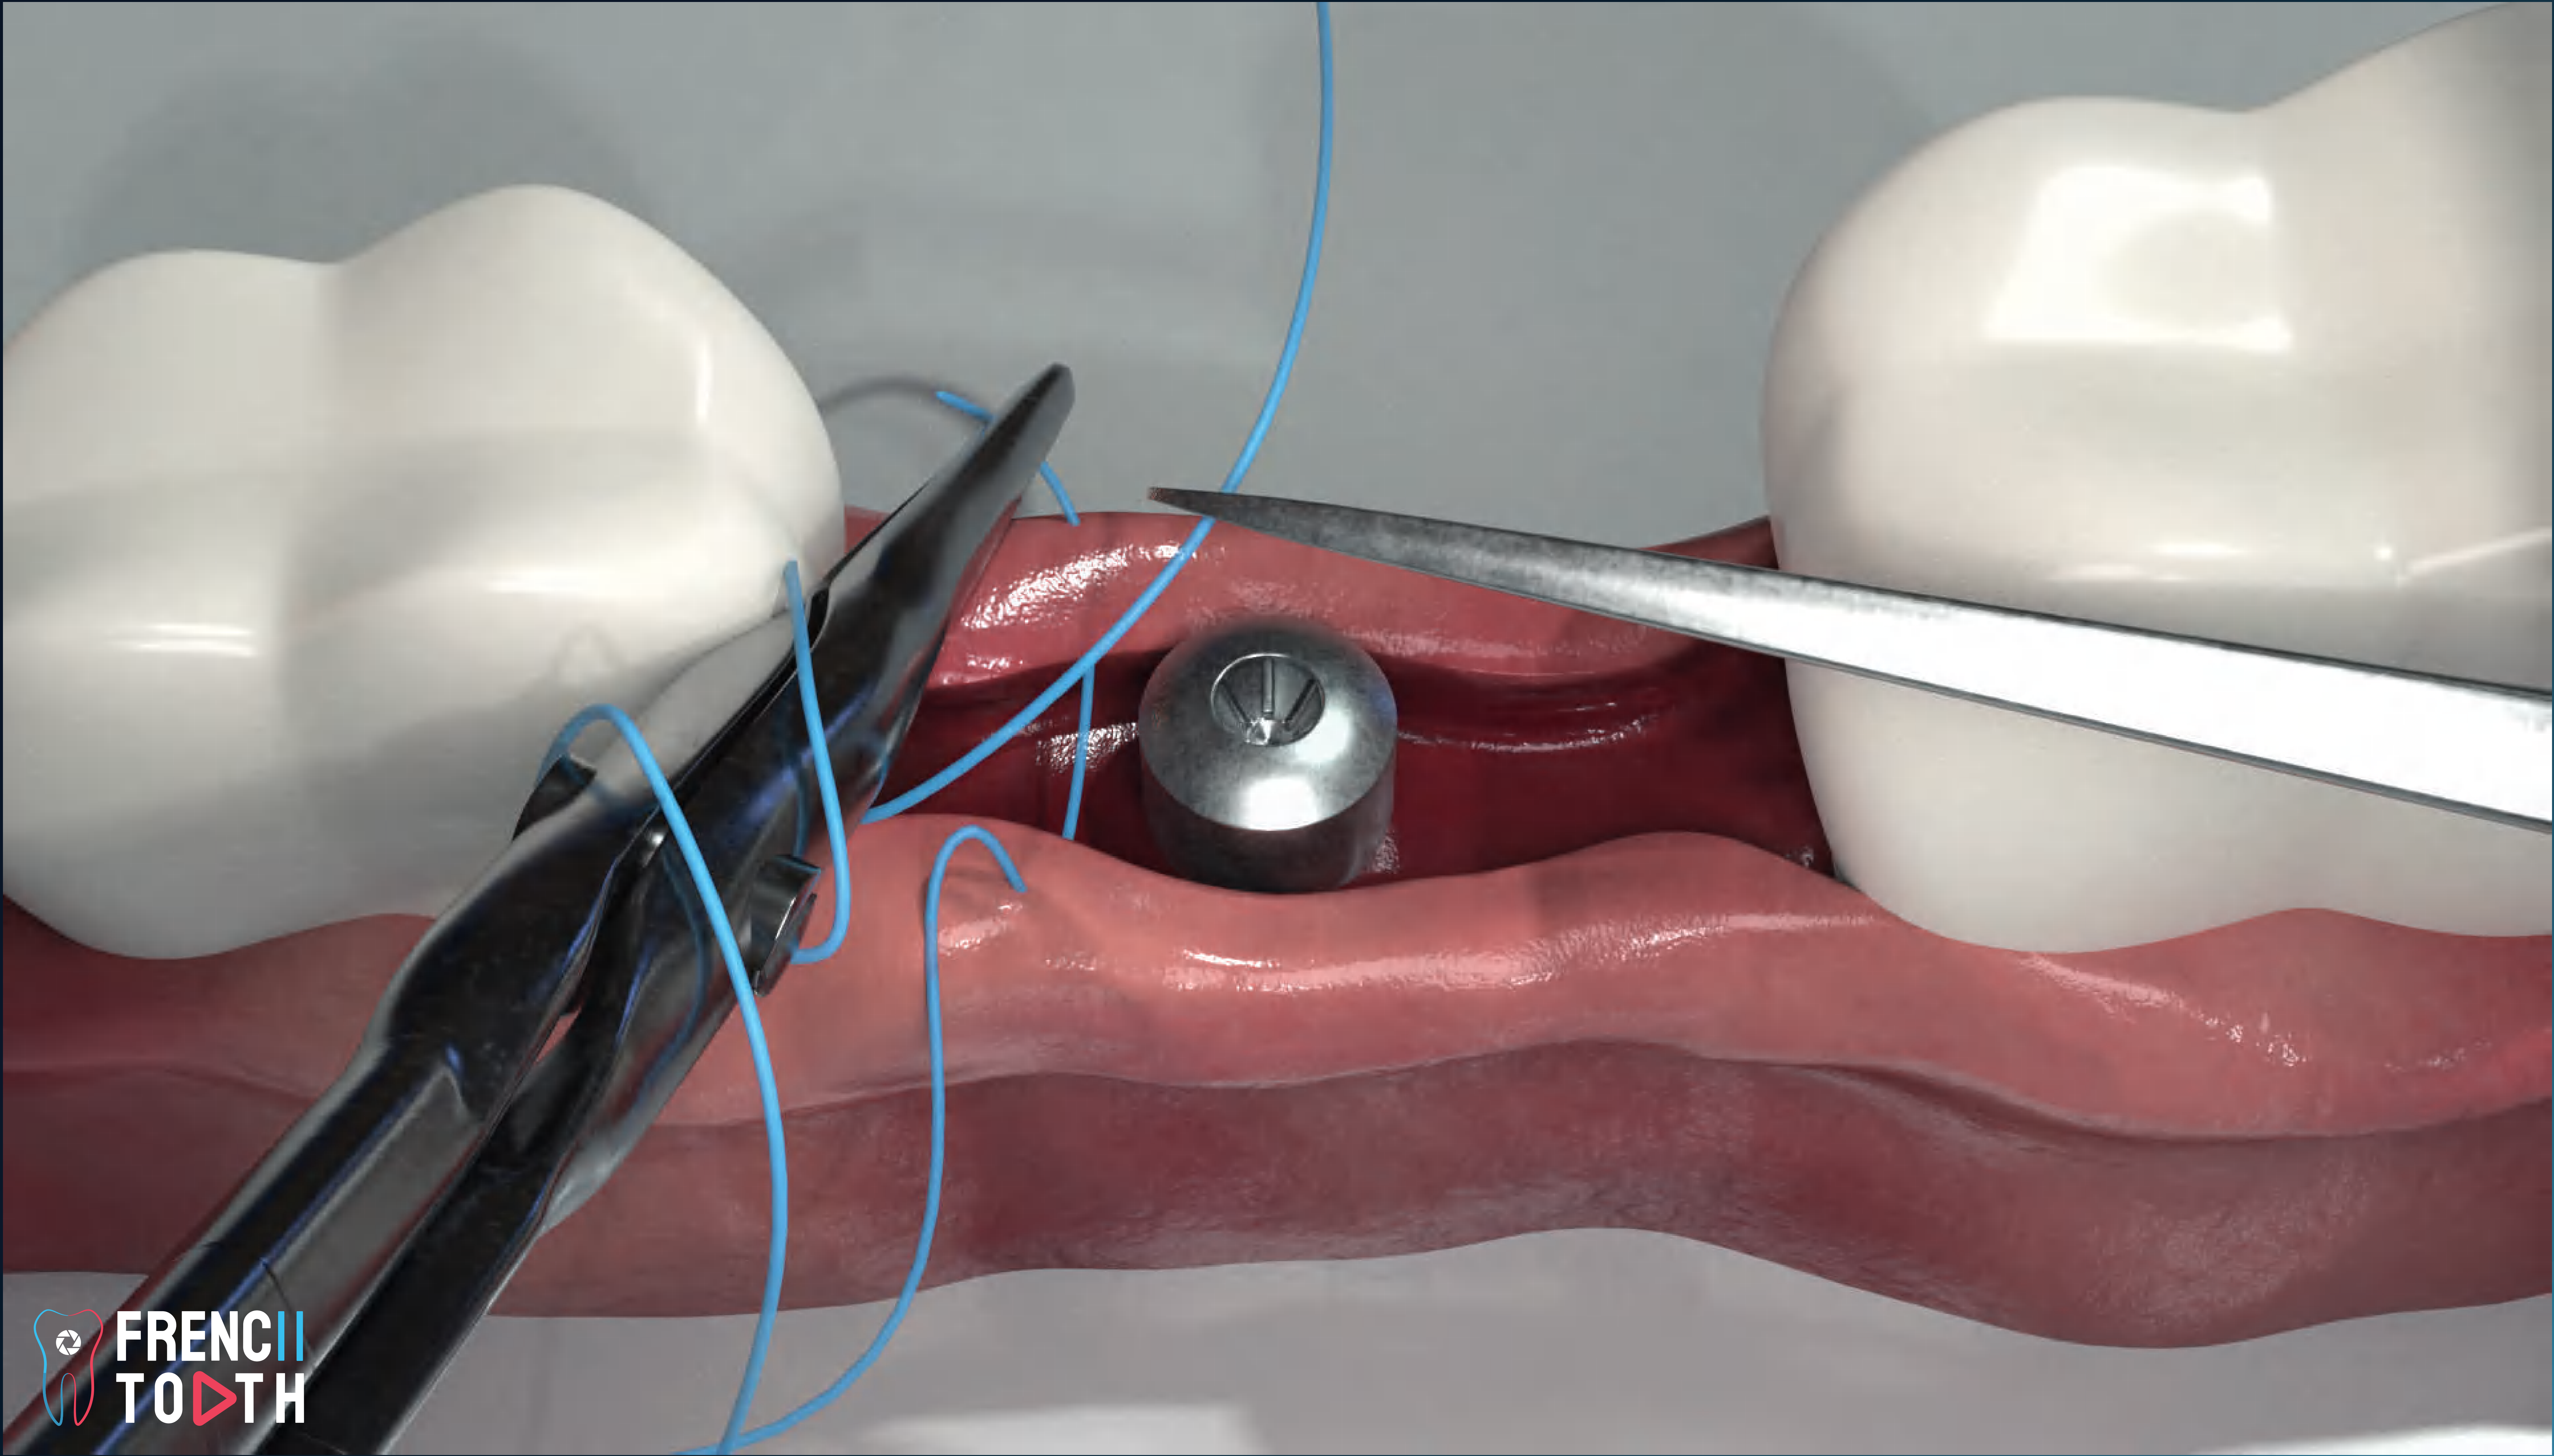

DR ANTOINE POPELUT

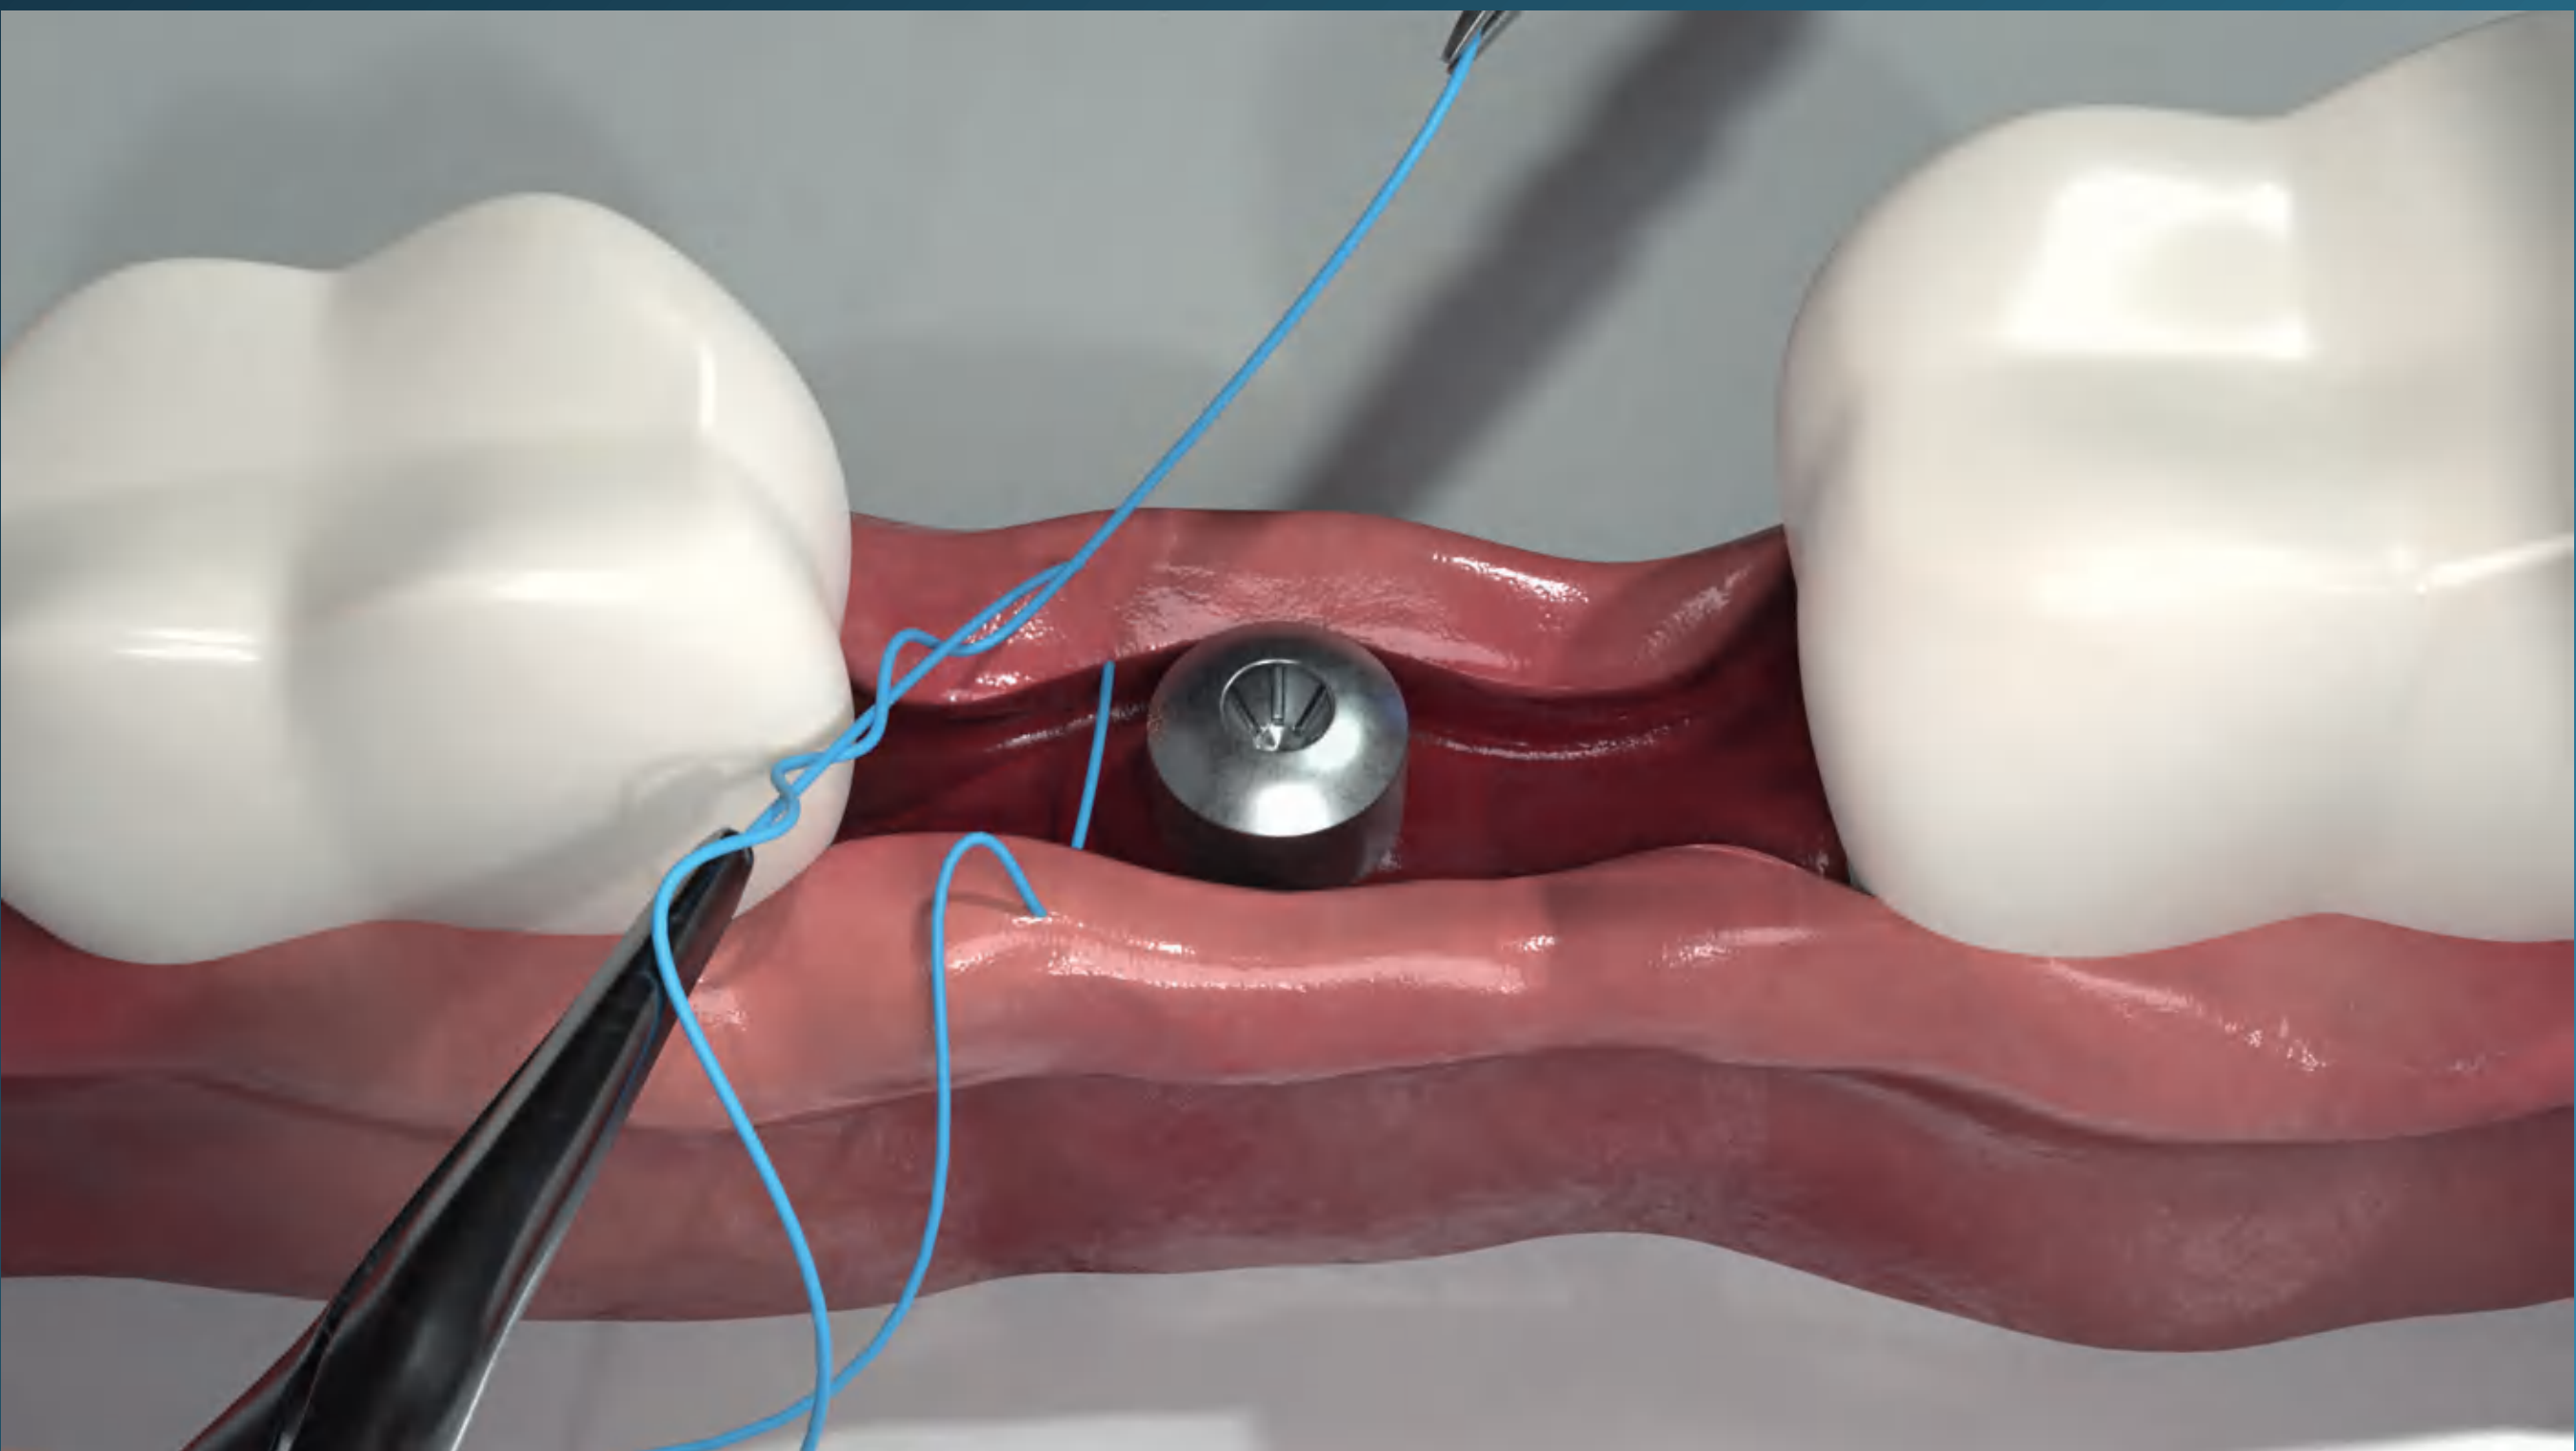

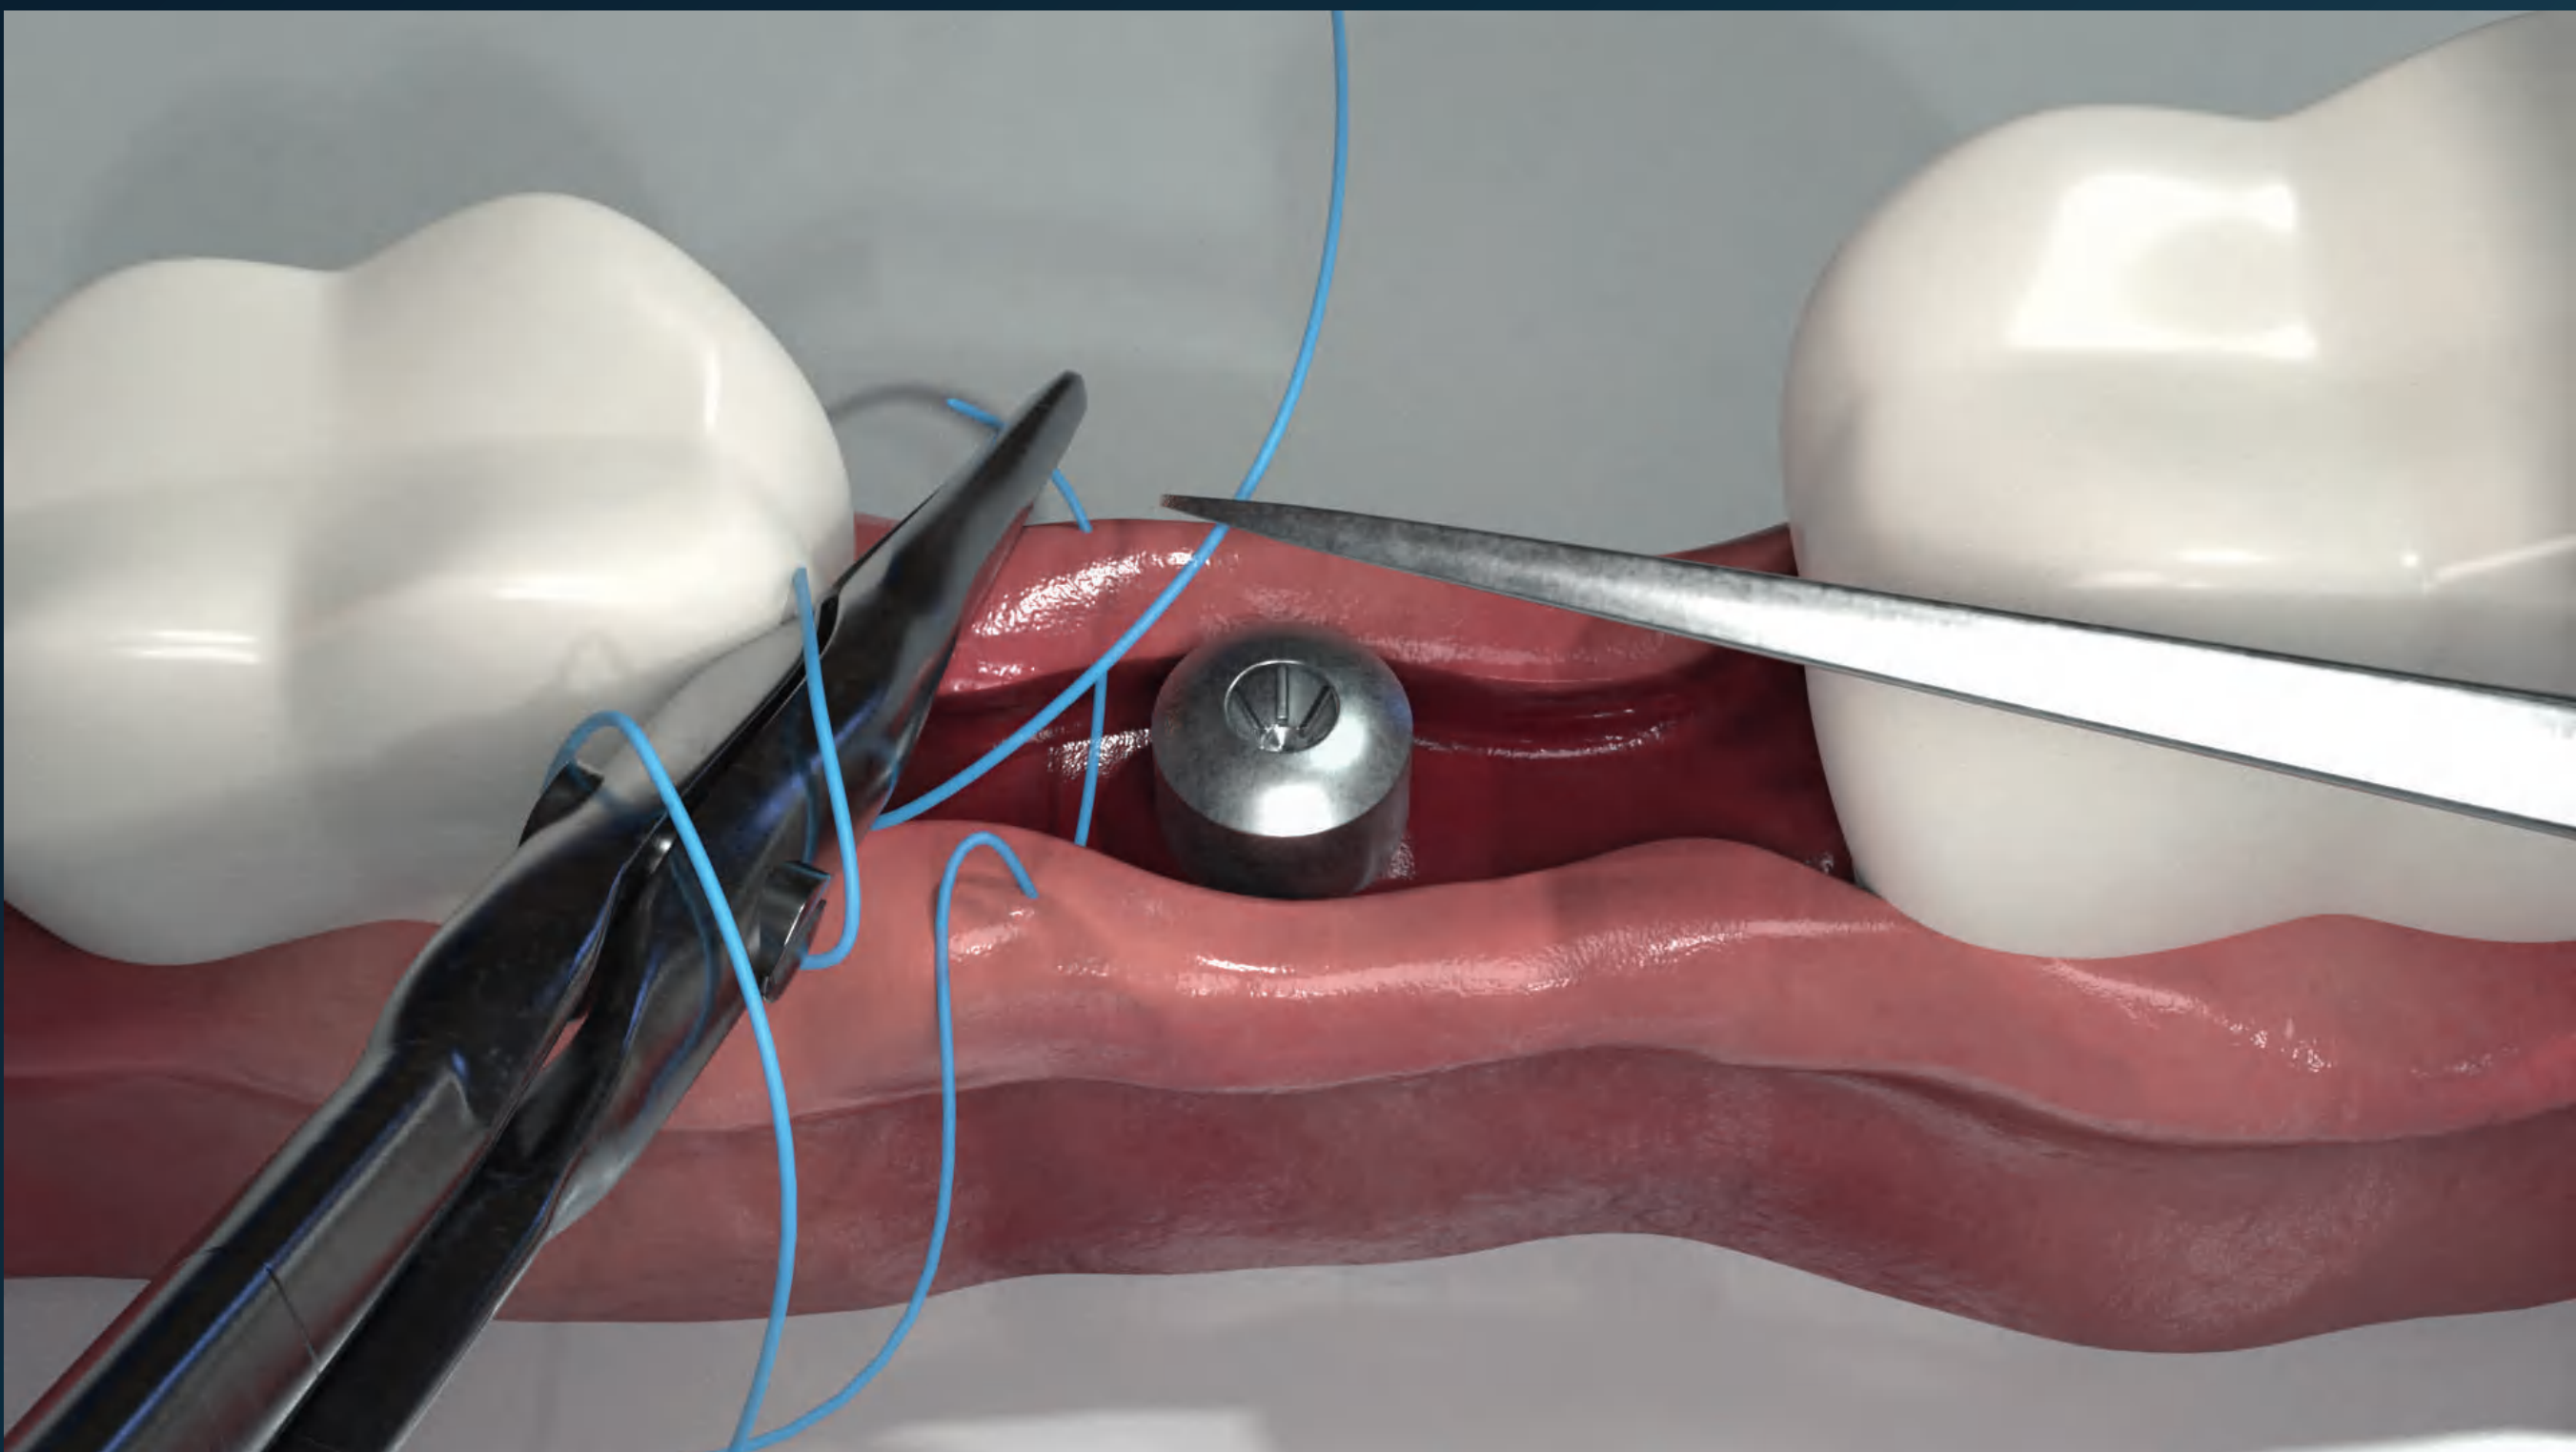

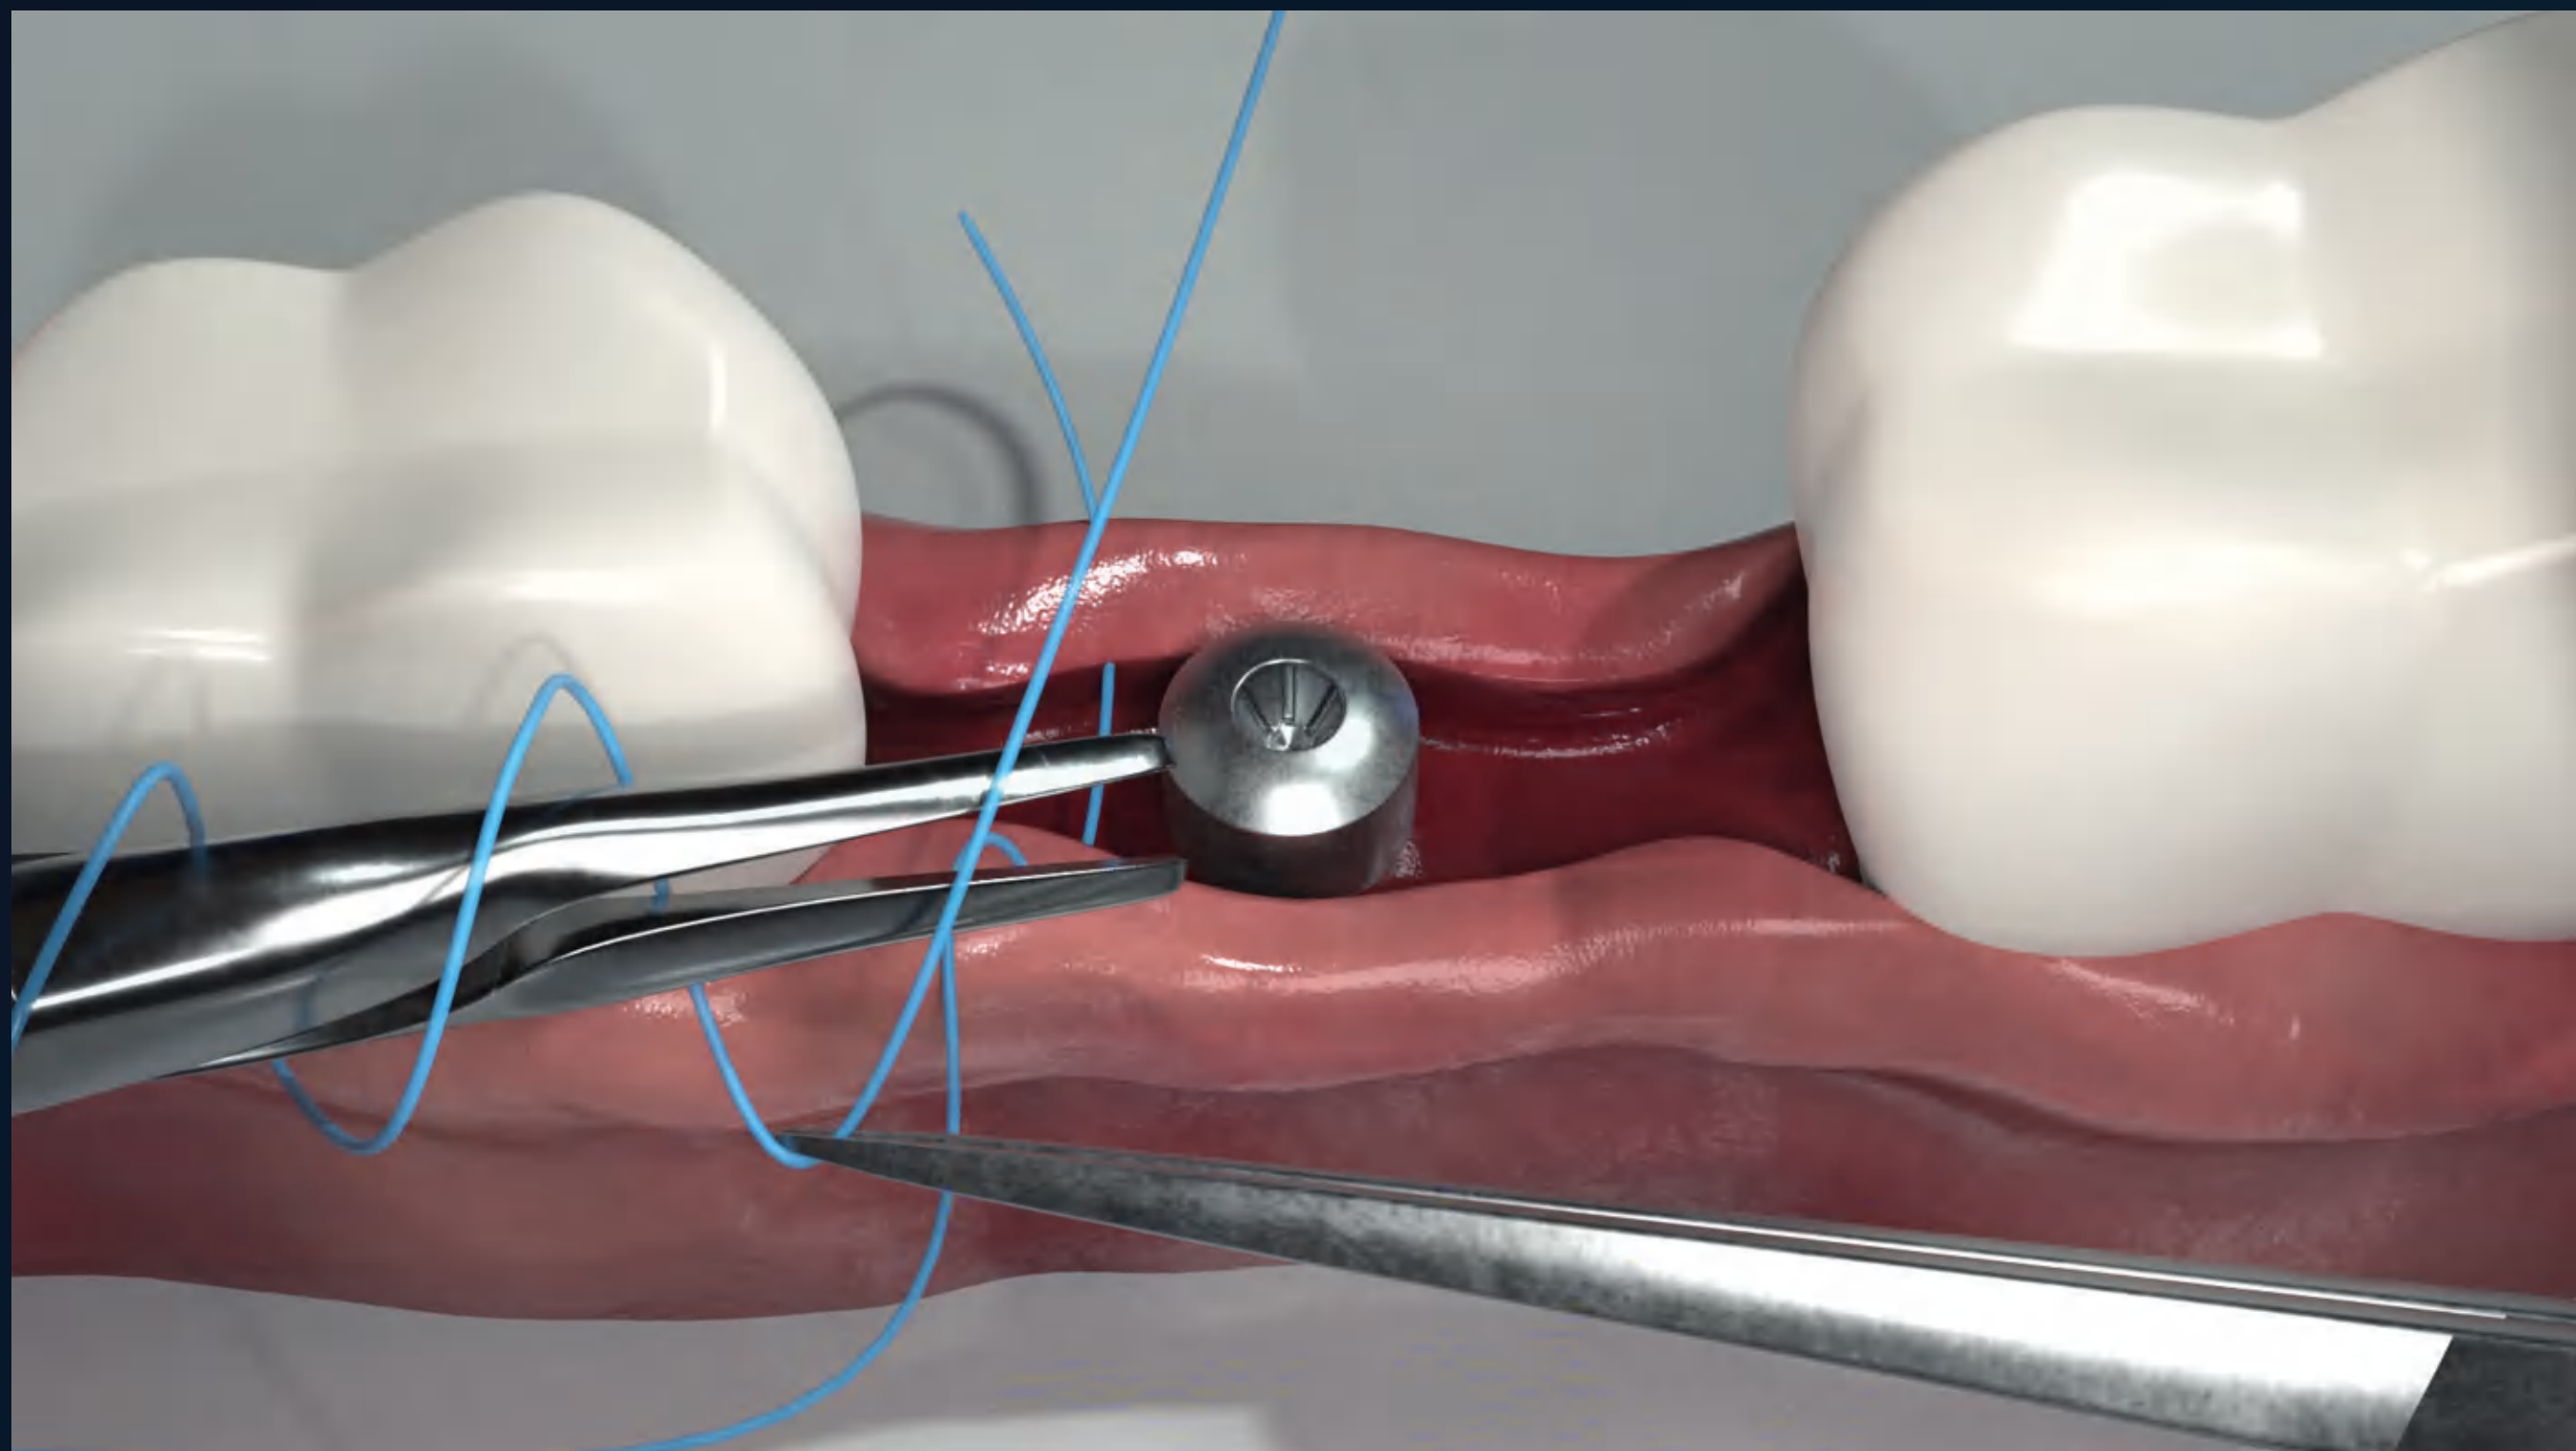

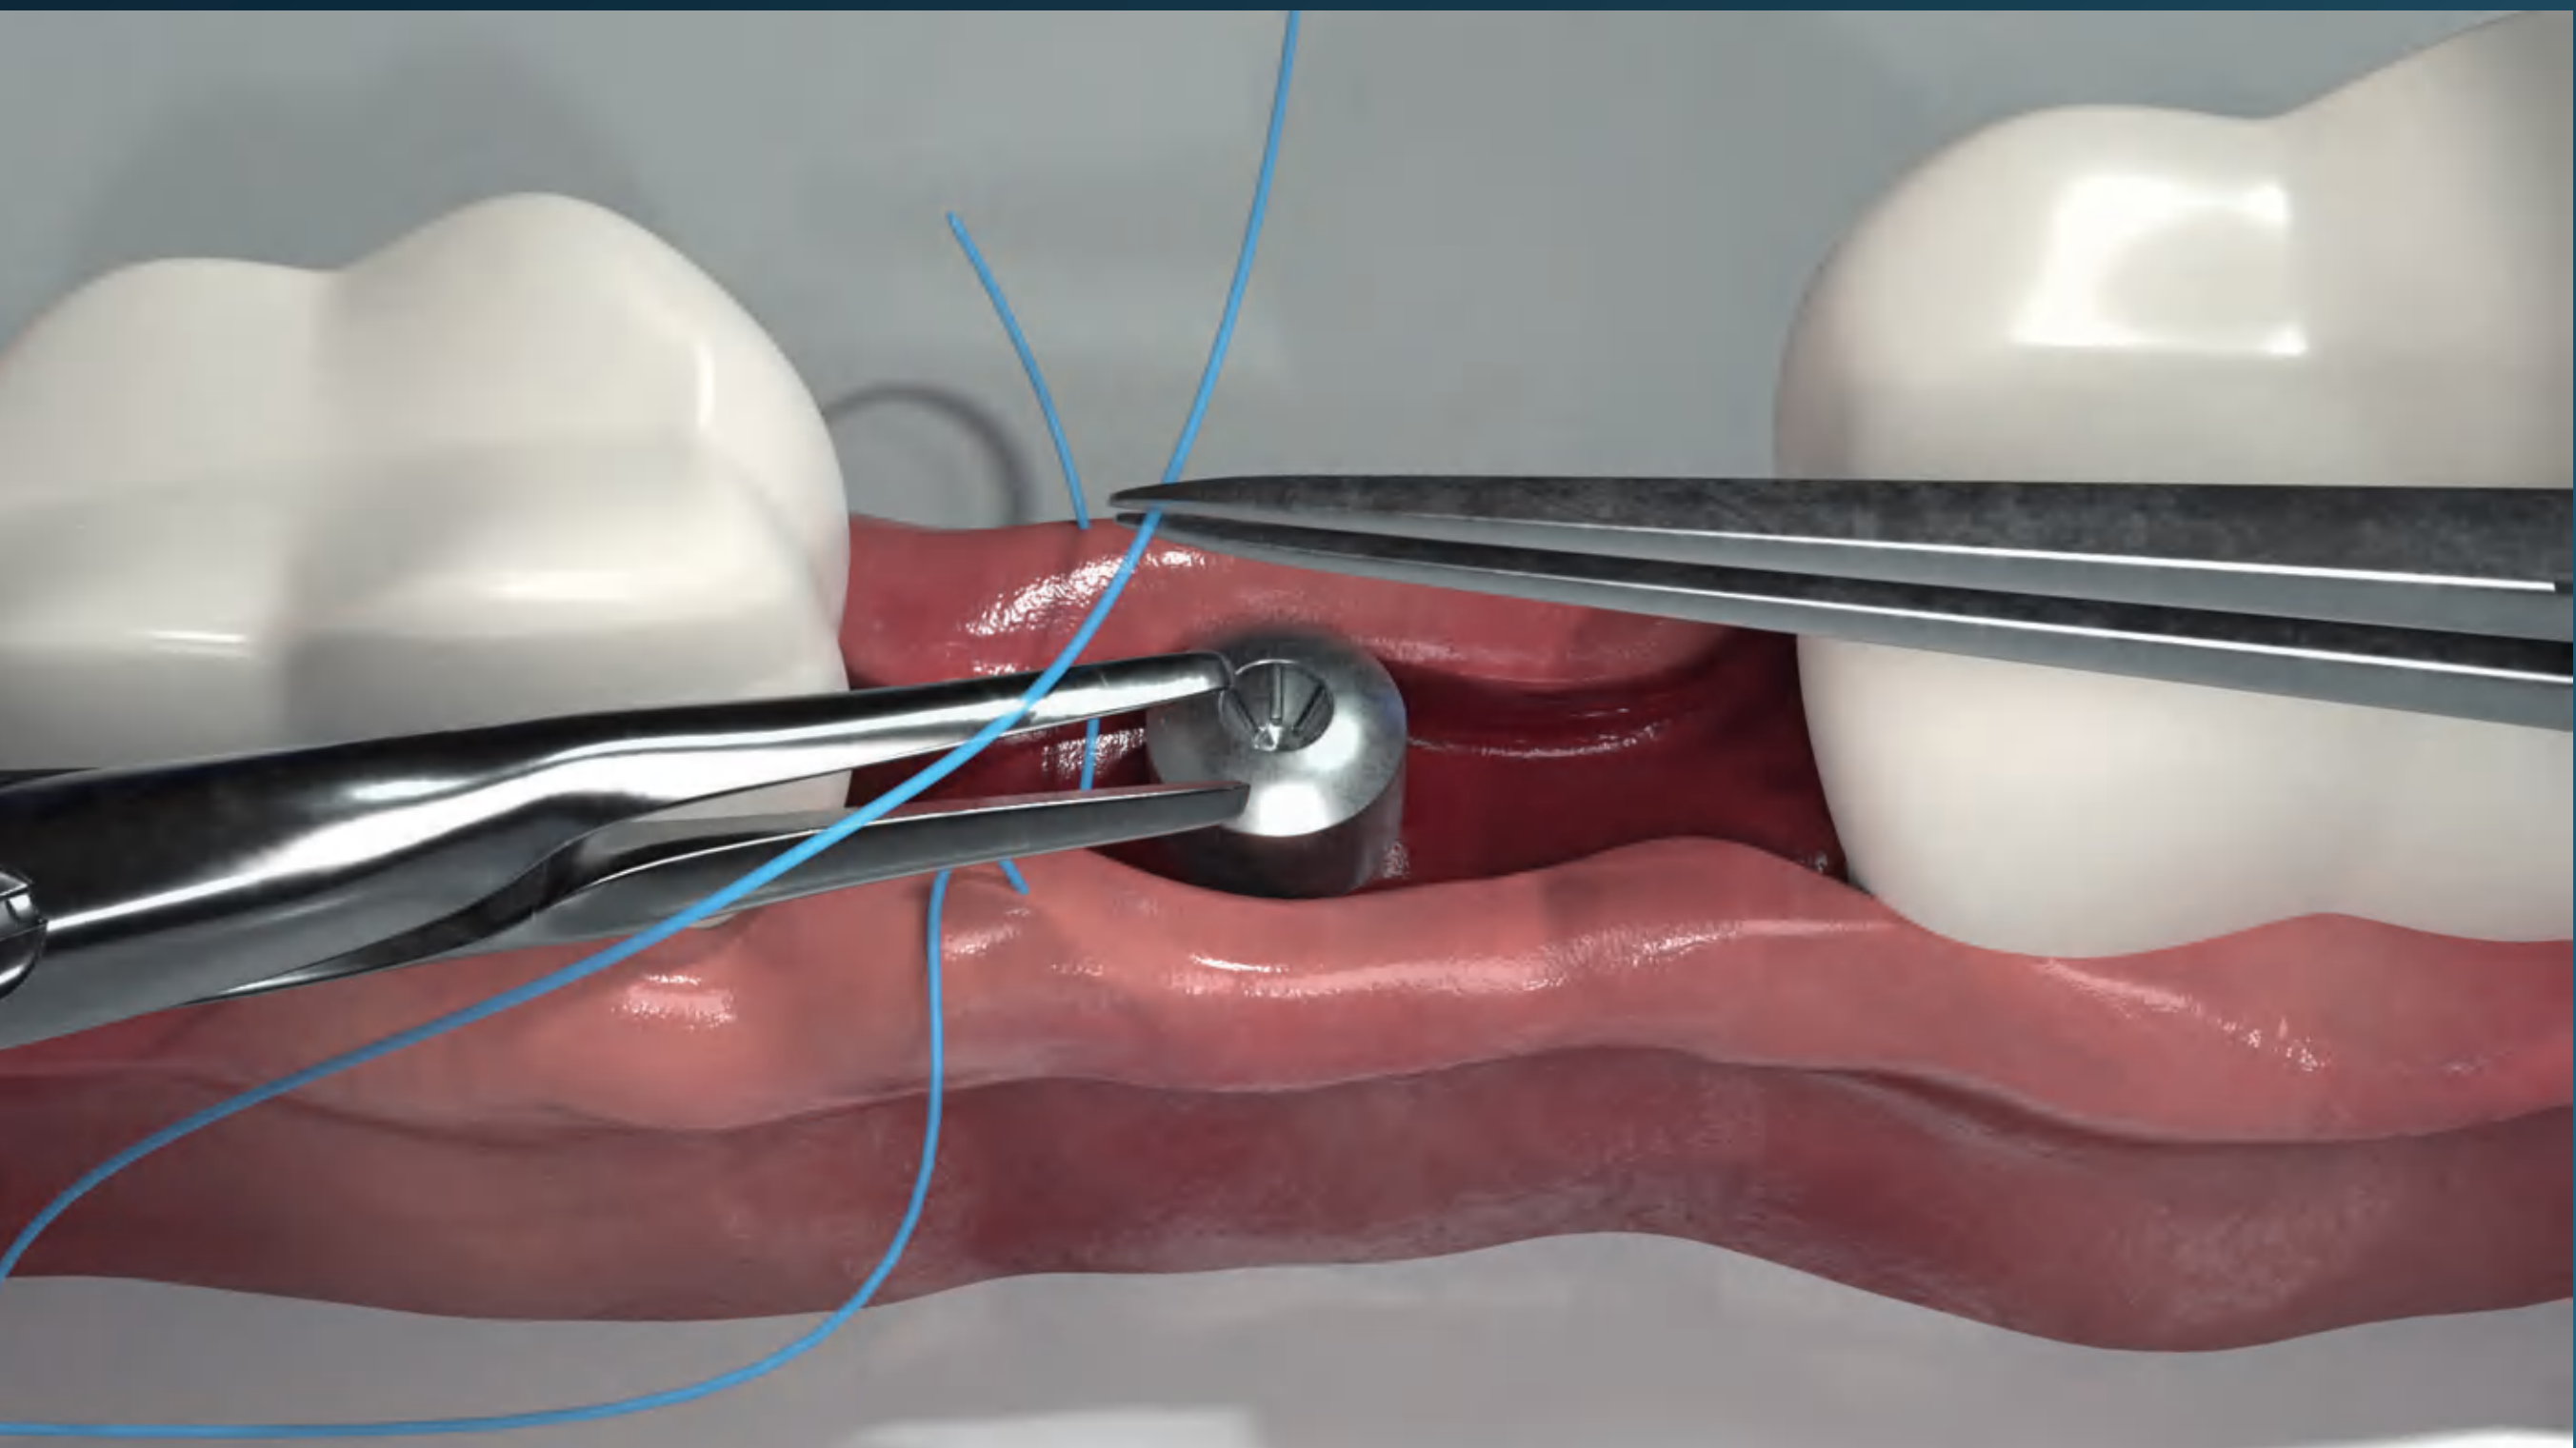

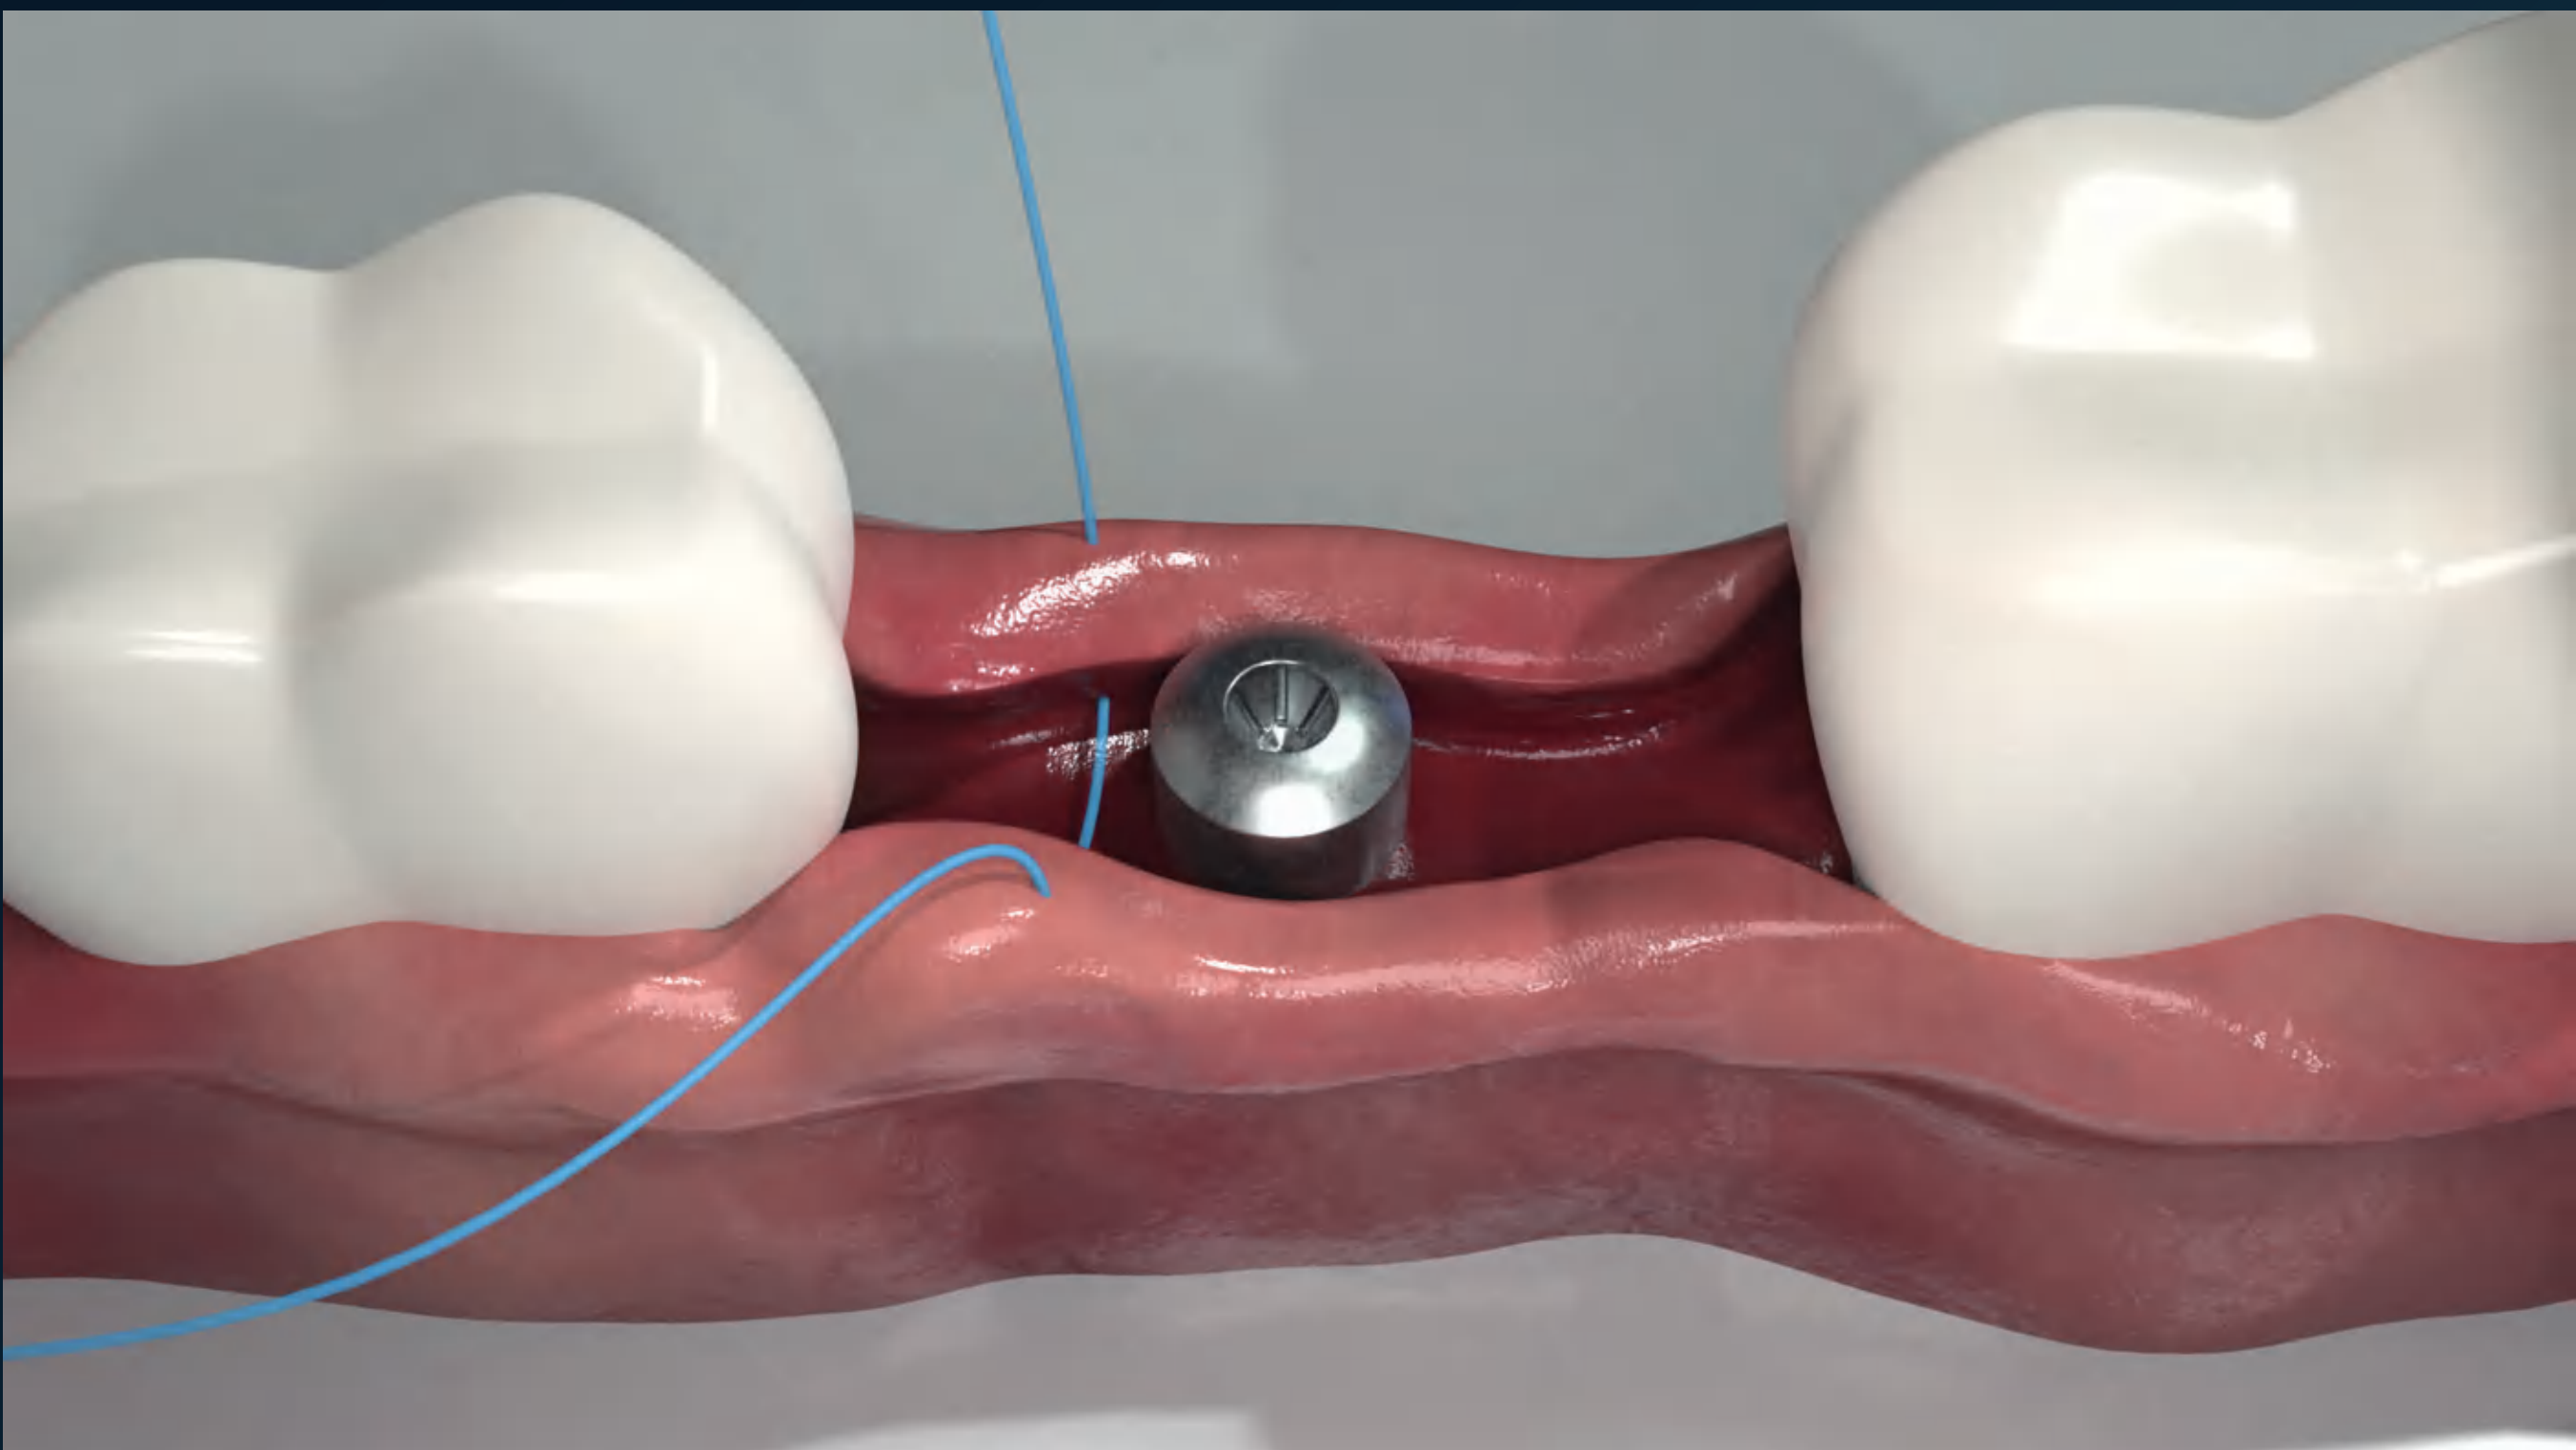

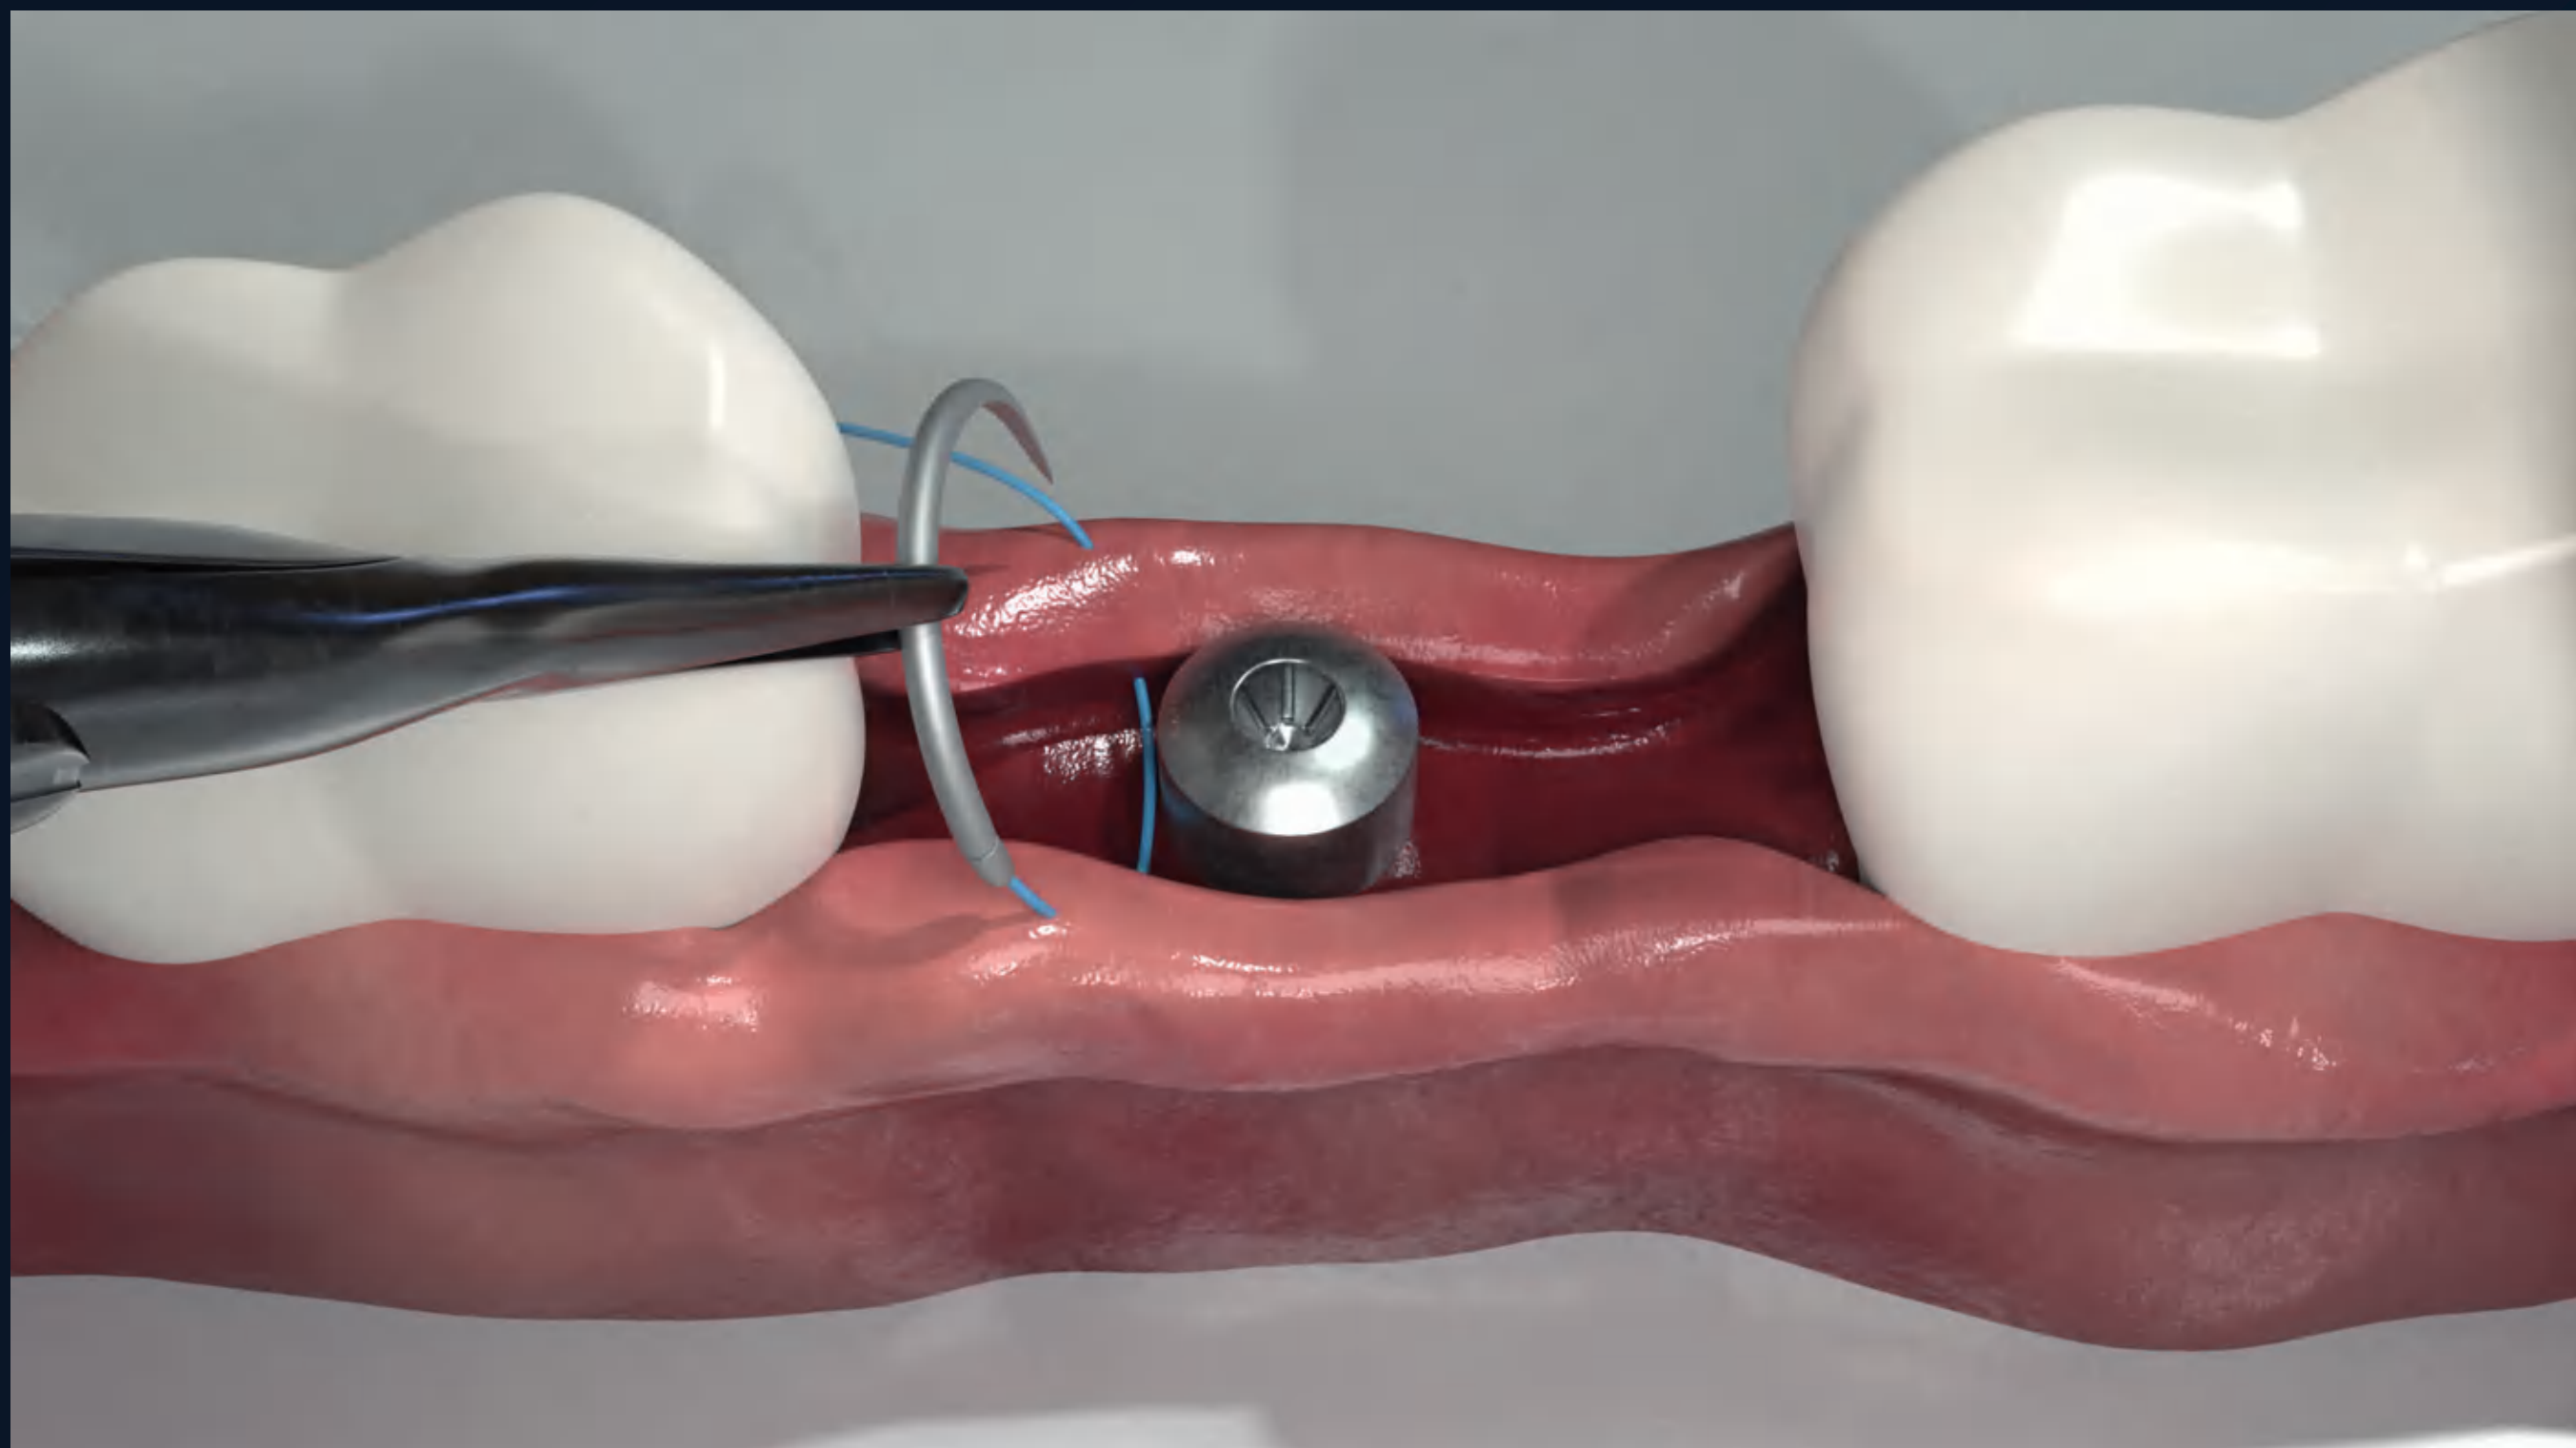

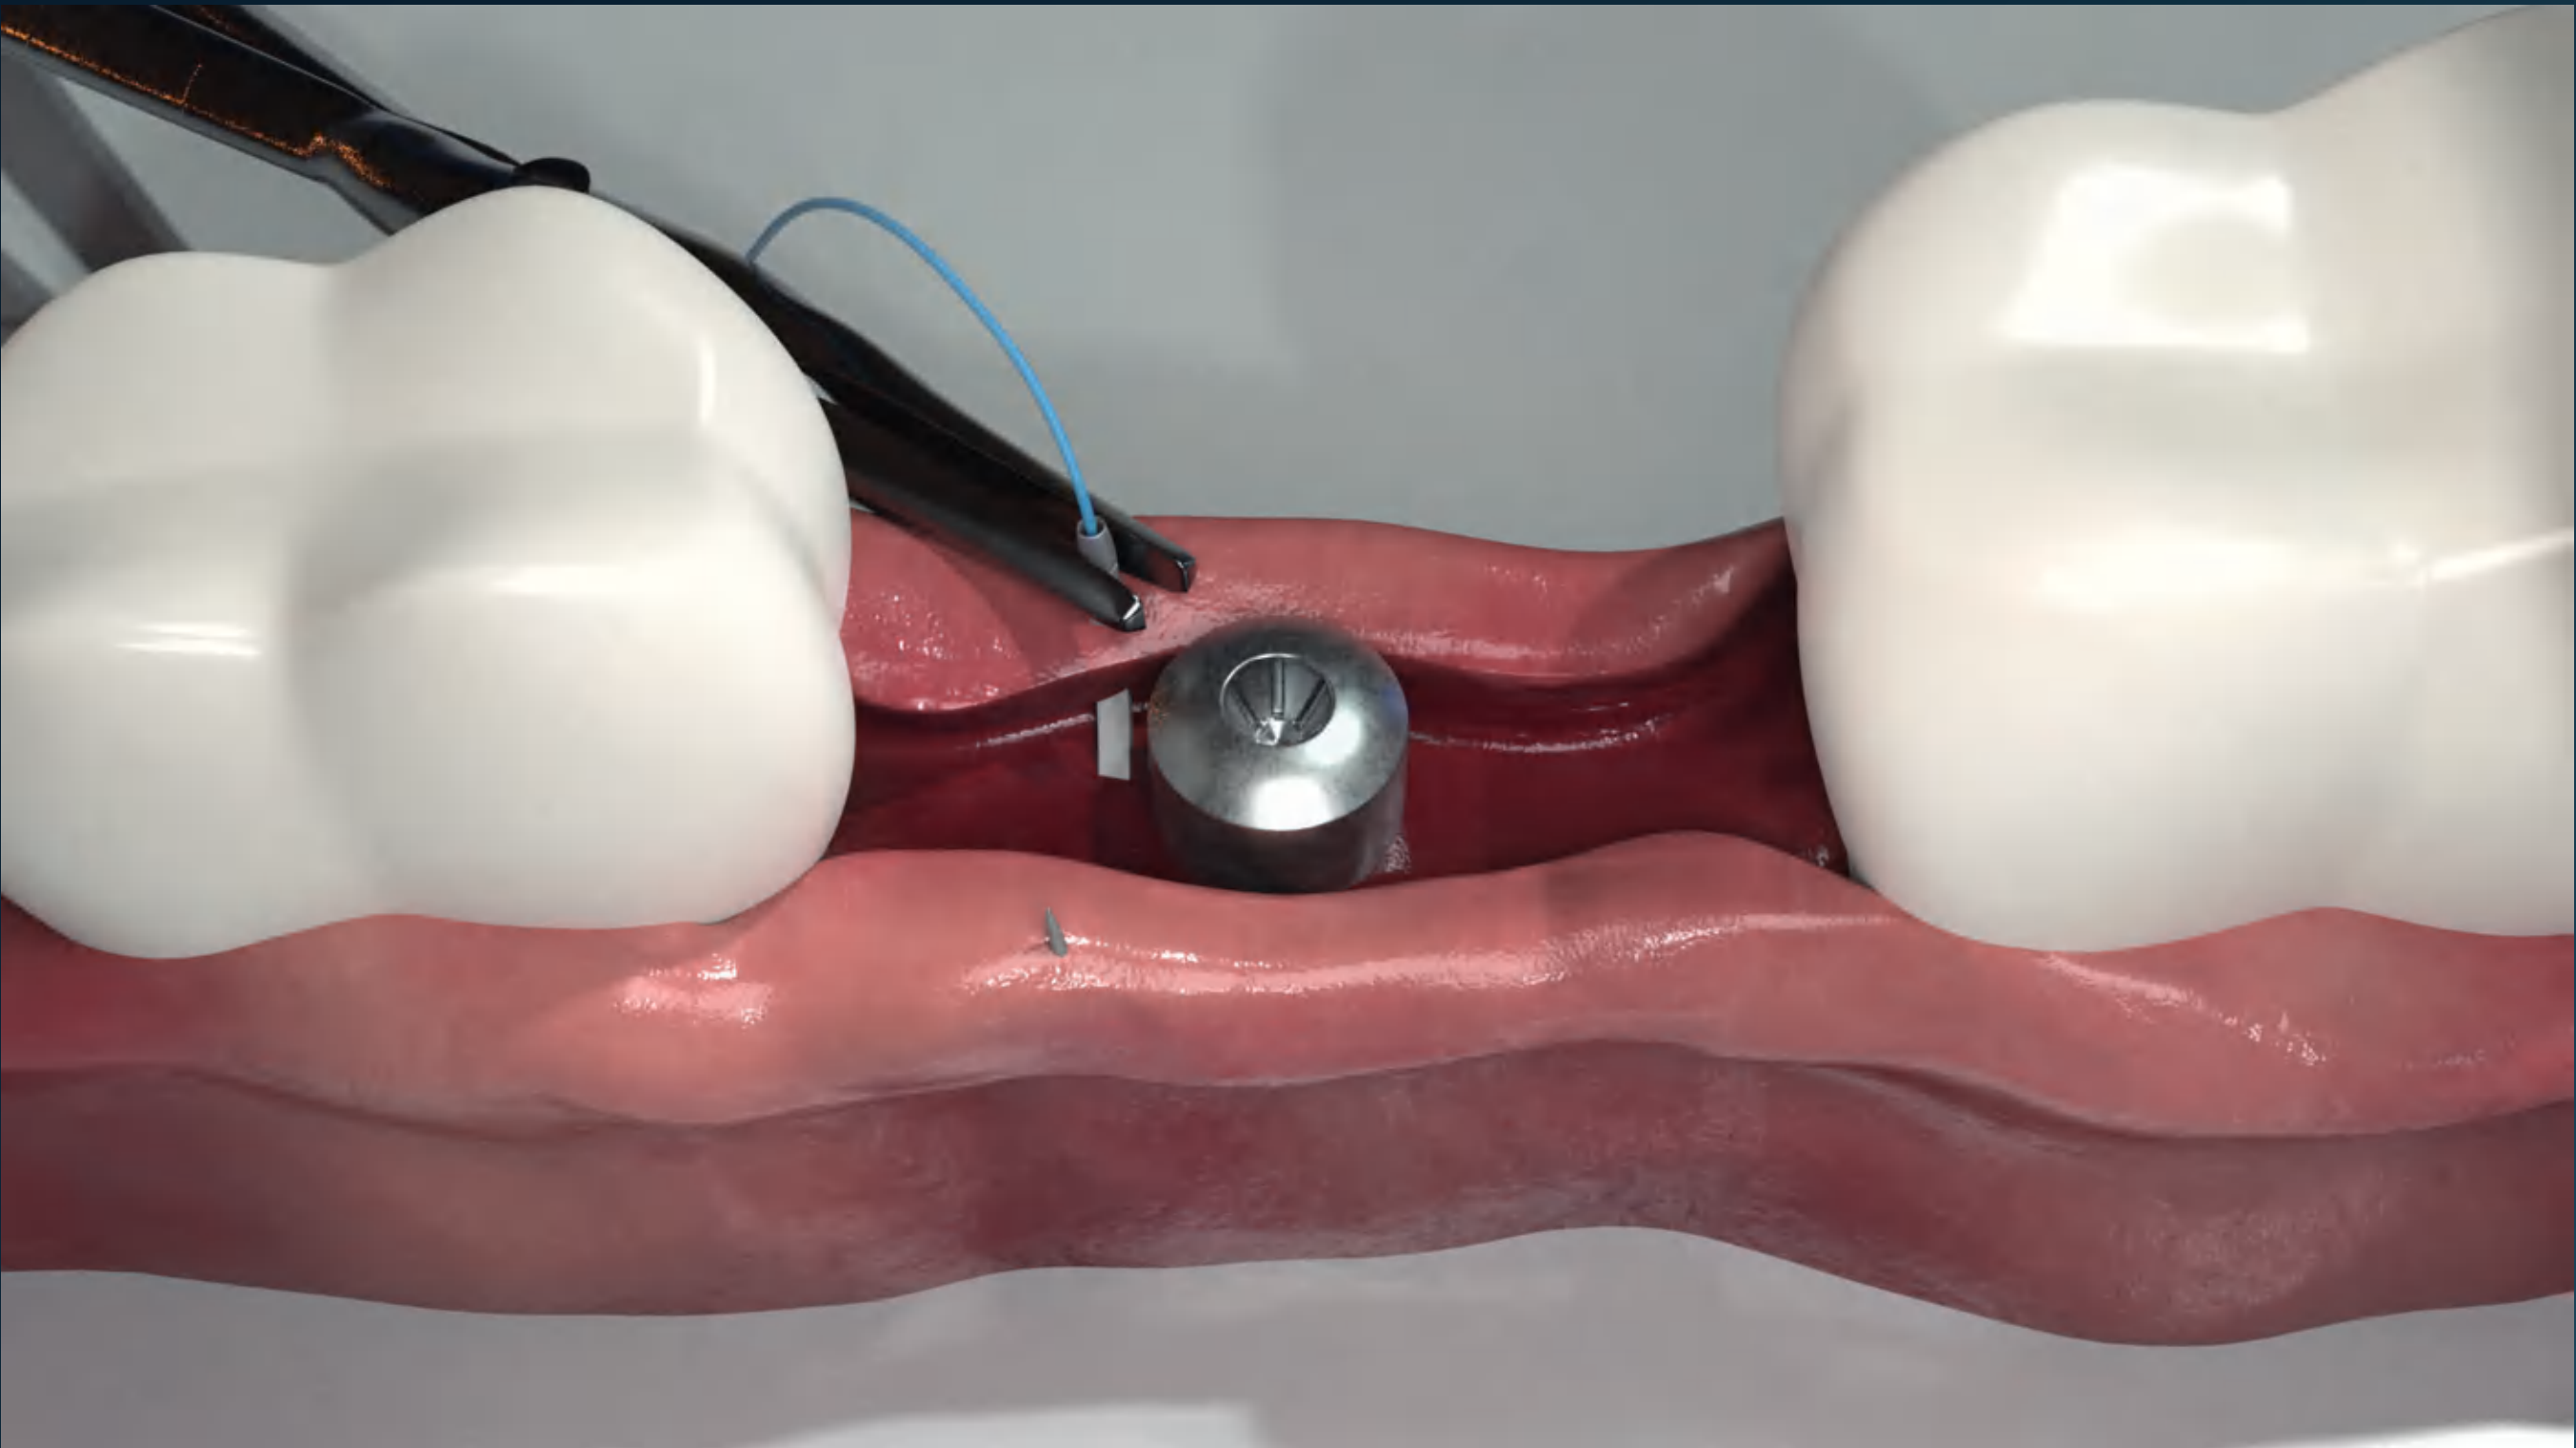

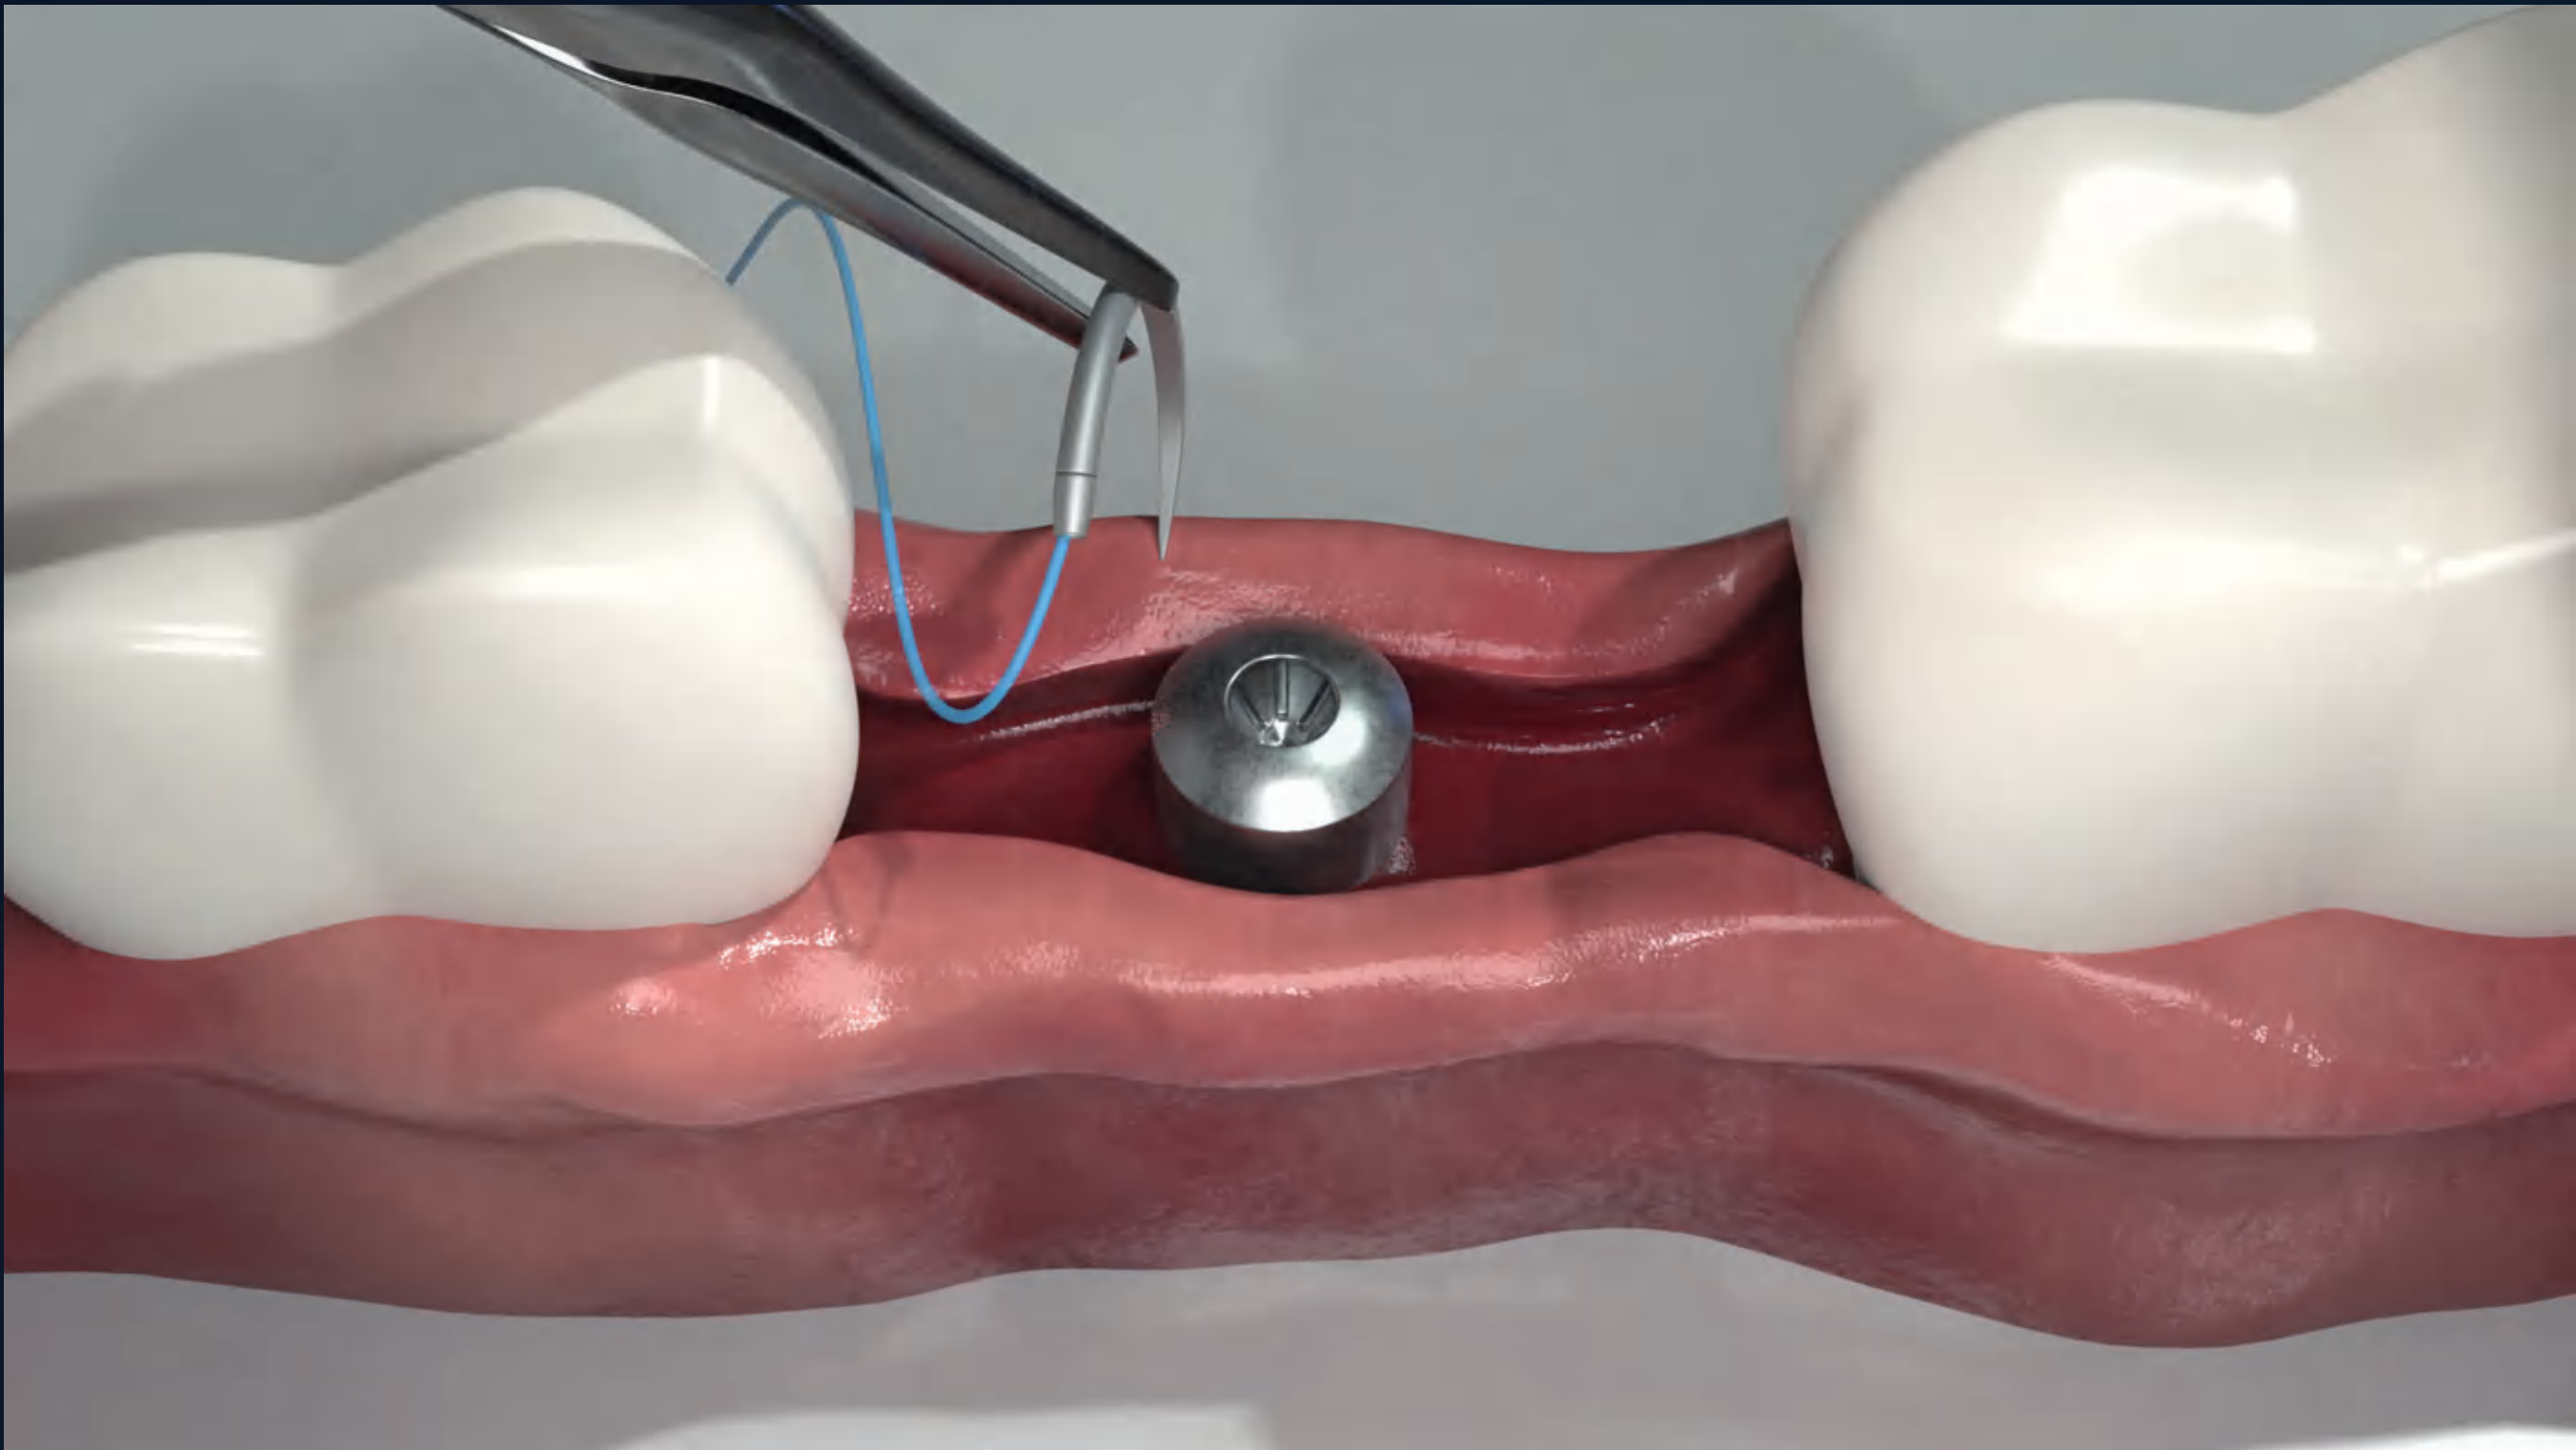

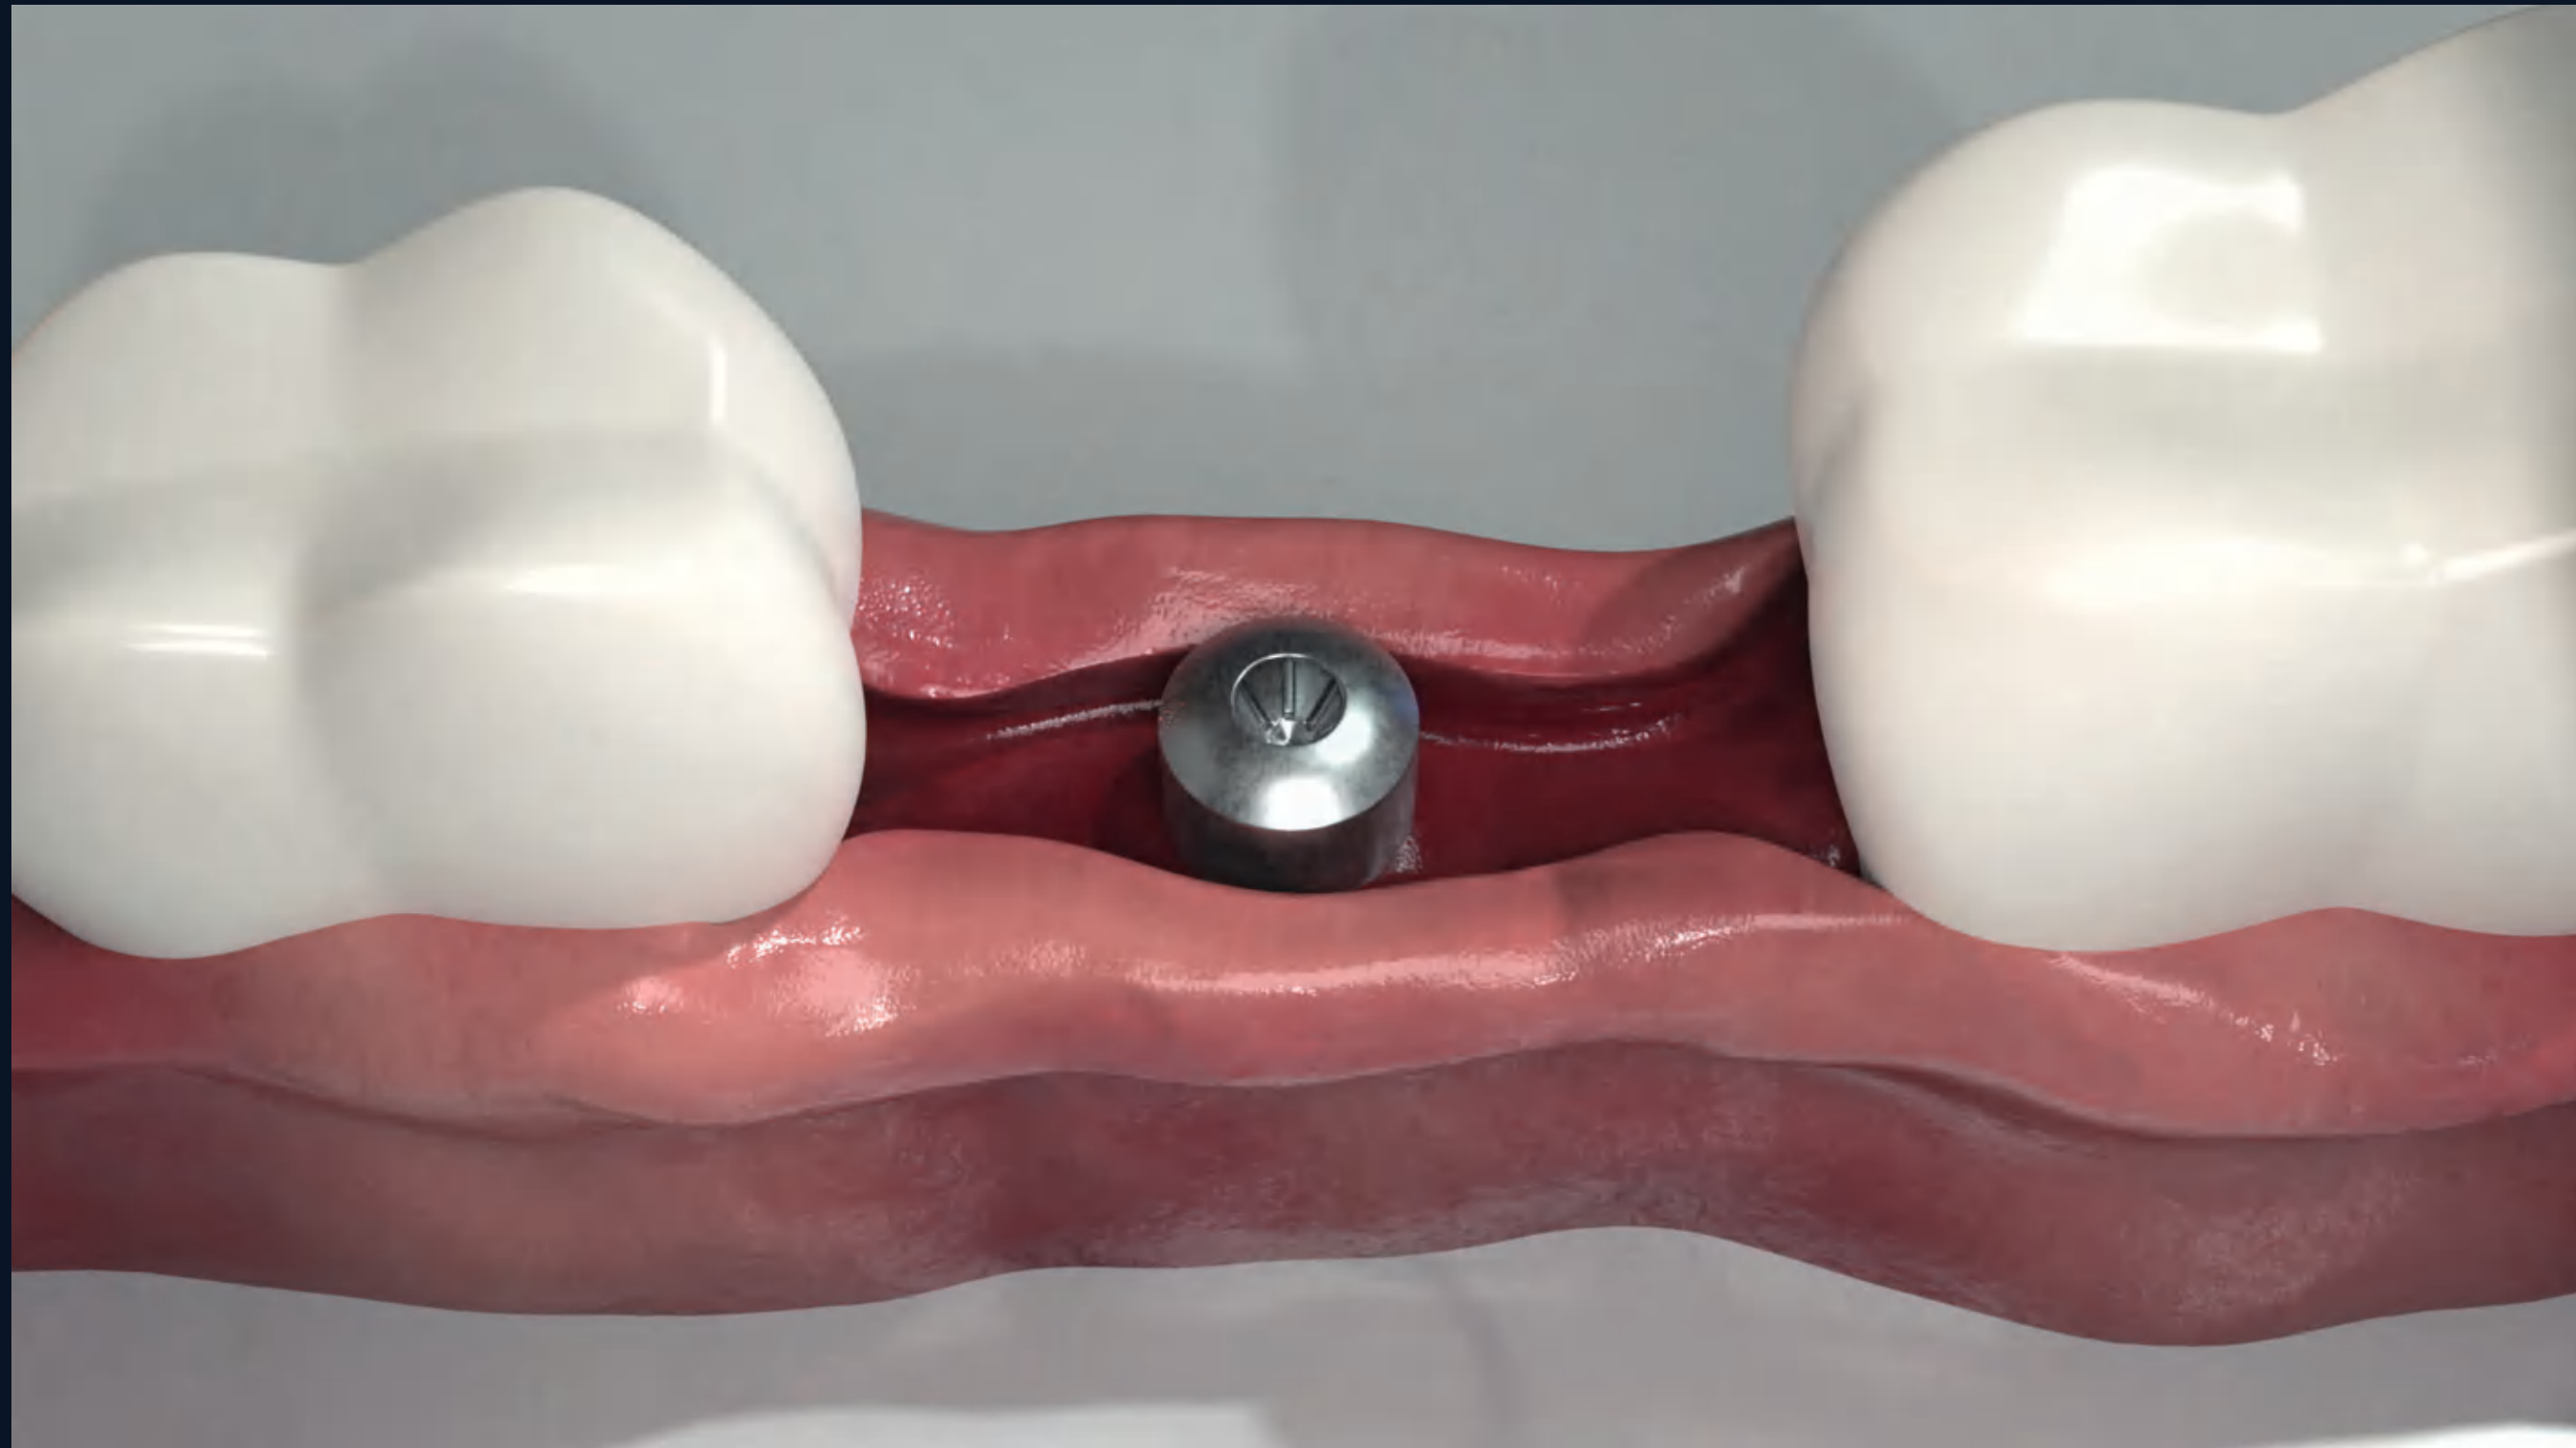

Diplômé en chirurgie dentaire de l'Université Paris VII. Le Dr Antoine Popelut a obtenu ensuite un master en biologie cellulaire, physiologie et pathologie avec un stage de recherche à l'Université de Stanford (Californie) dans le laboratoire de chirurgie cranio-faciale de Jill Helms.

Il poursuit son cursus en intégrant un programme post-universitaire de parodontologie et implantologie orale au sein du service du Pr Bouchard (Université Paris VII), au terme duquel il valida son diplôme de spécialité européenne de l'European Association of Periodontology.

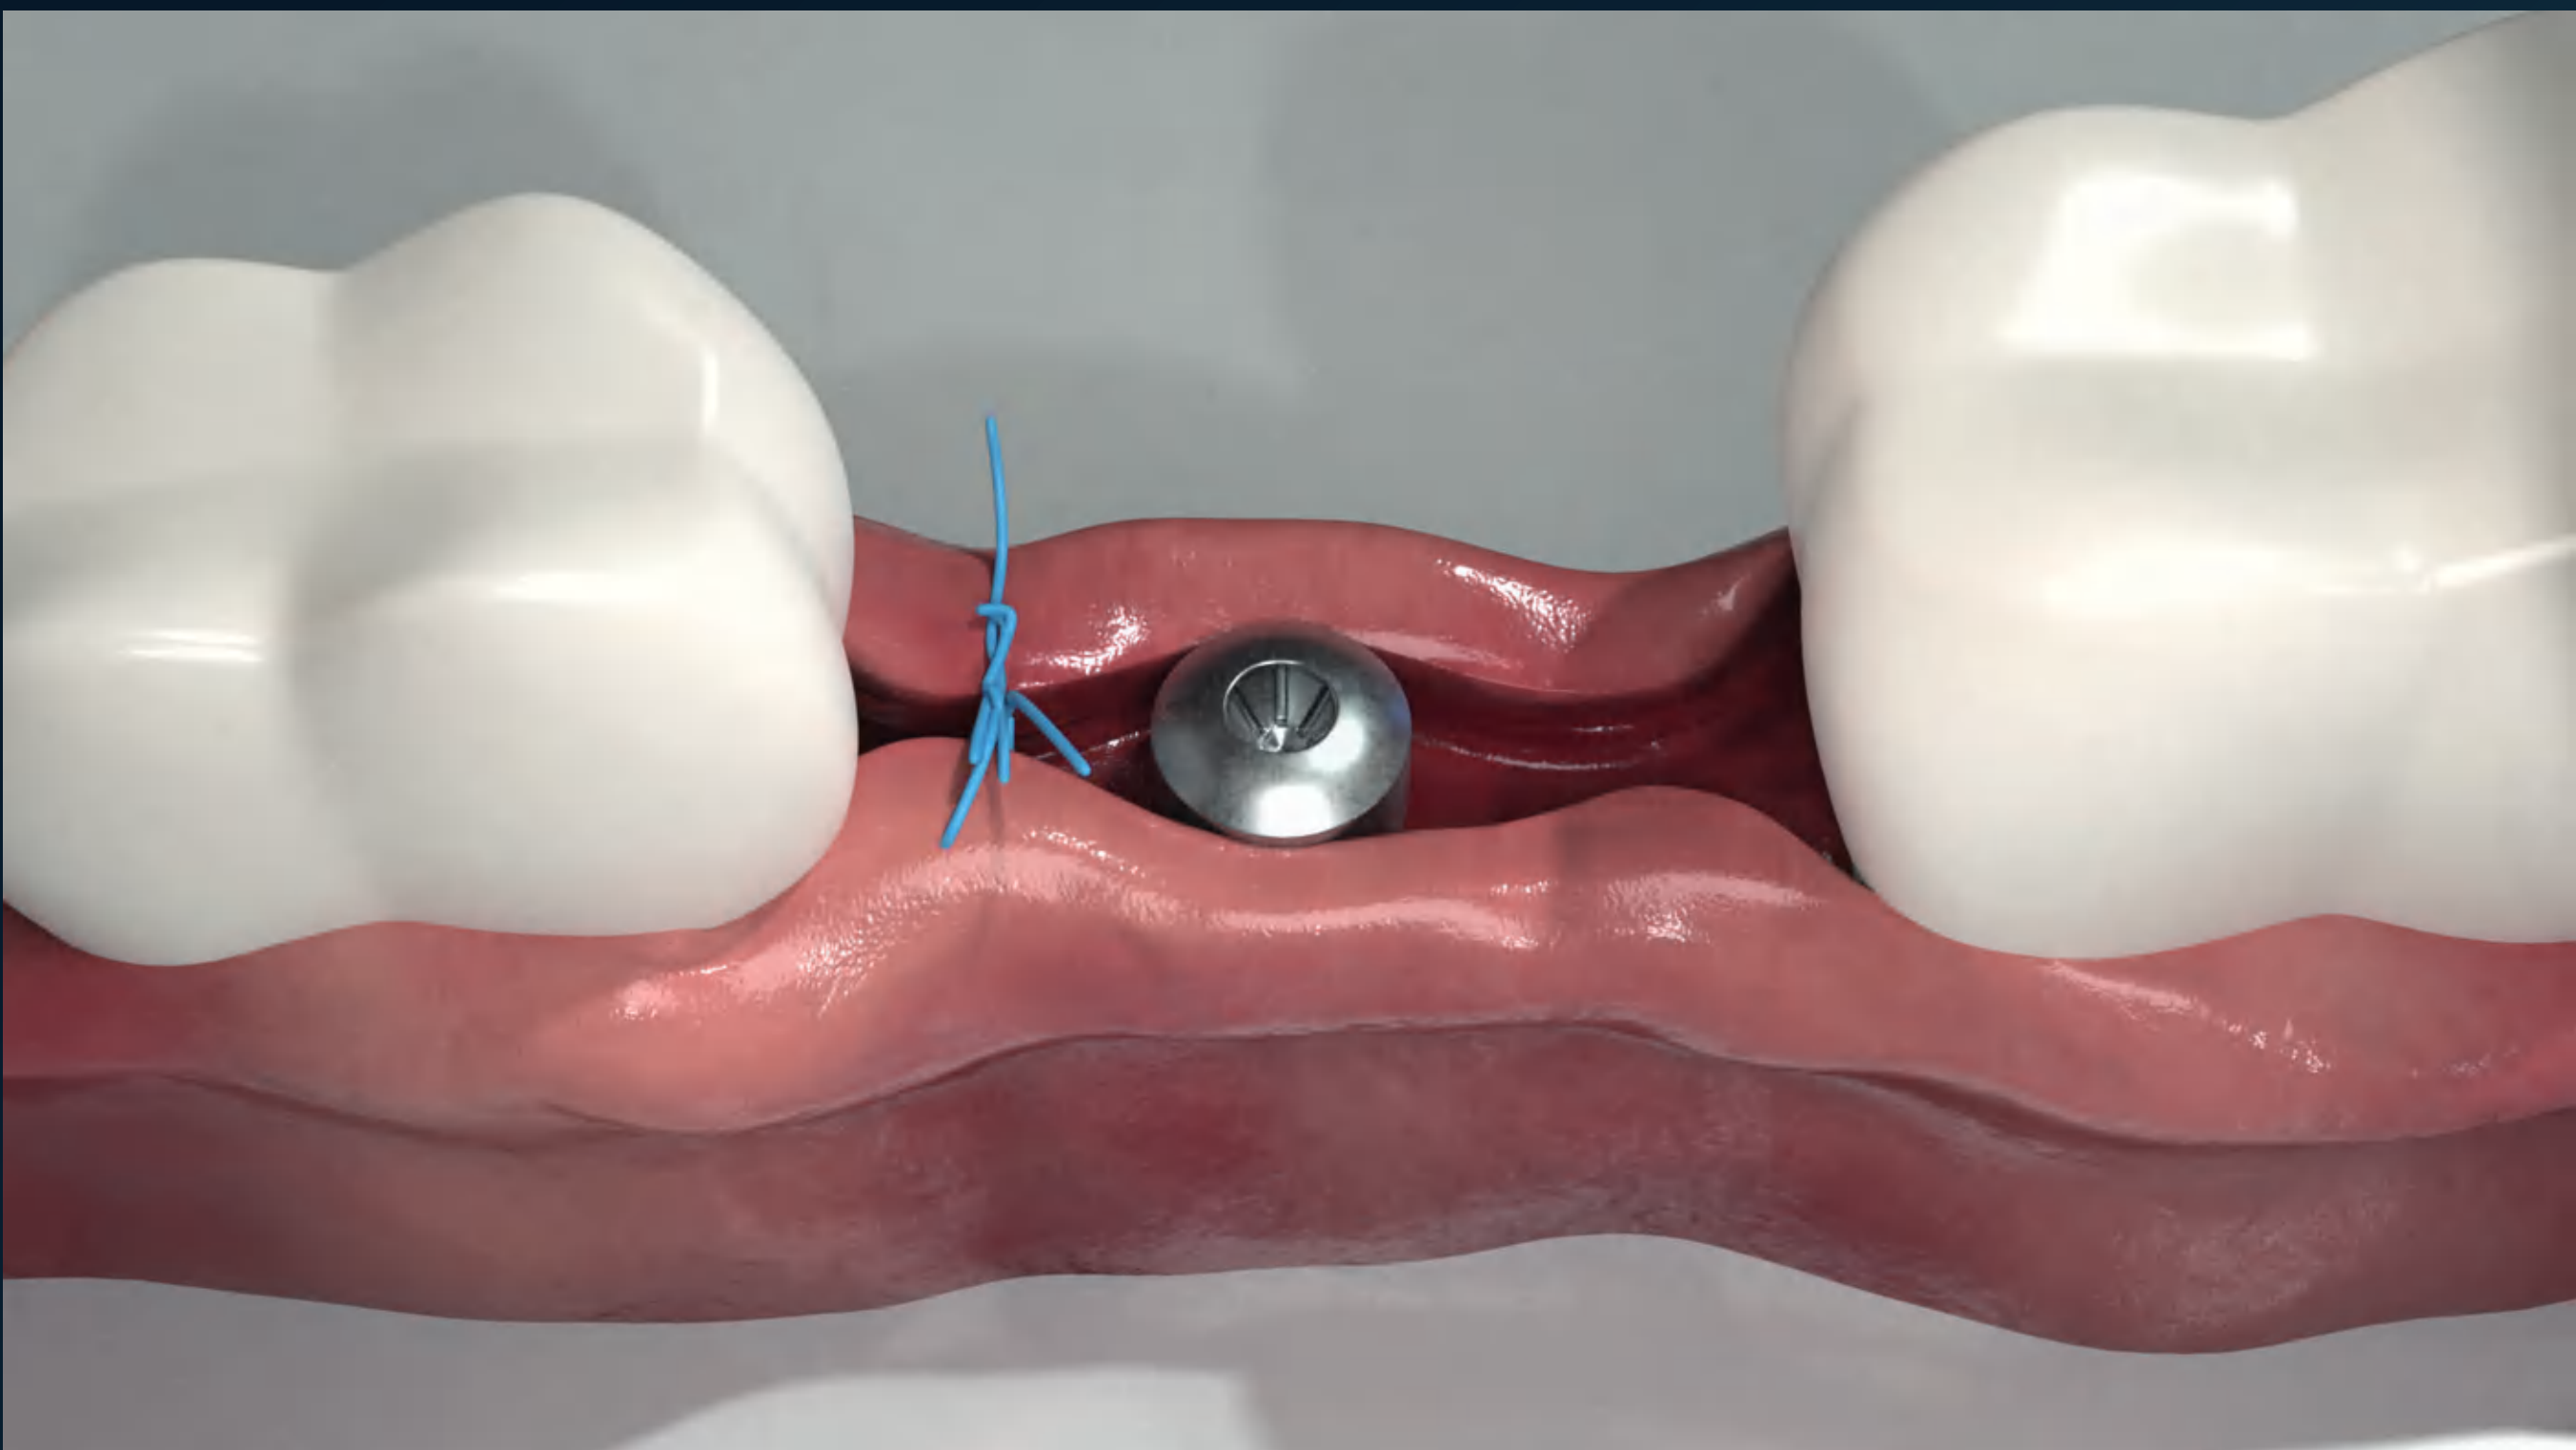

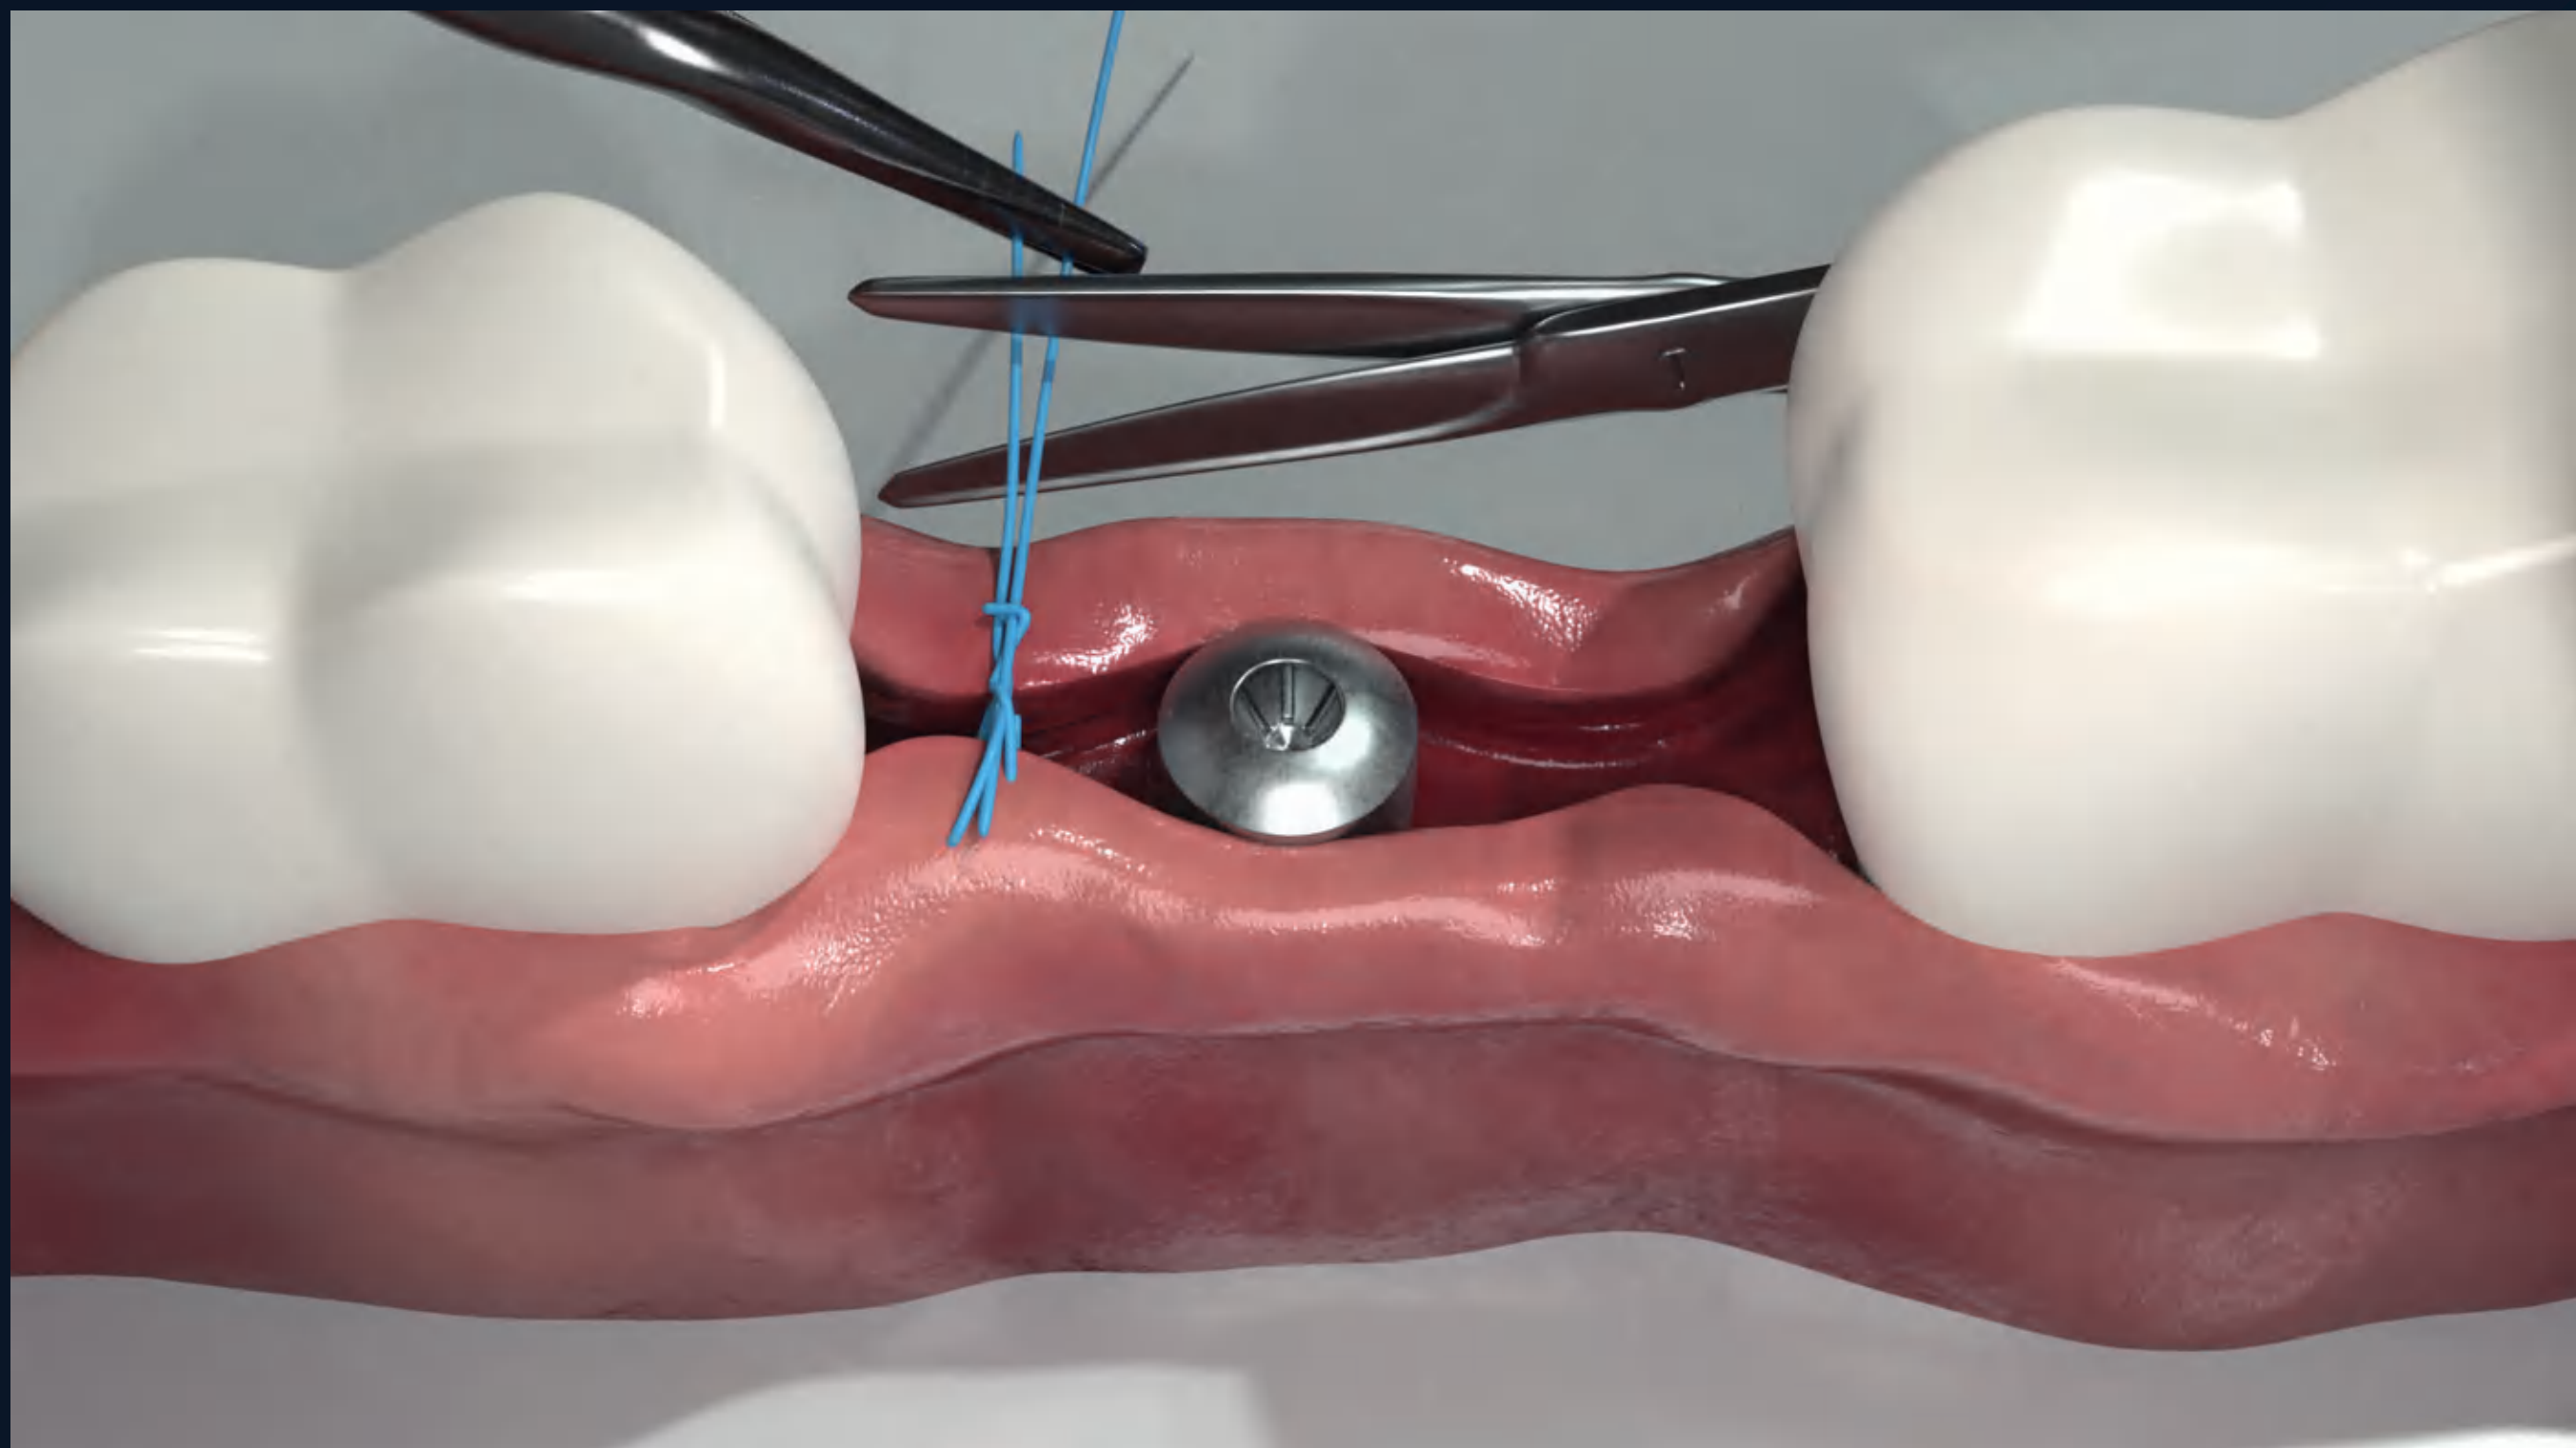

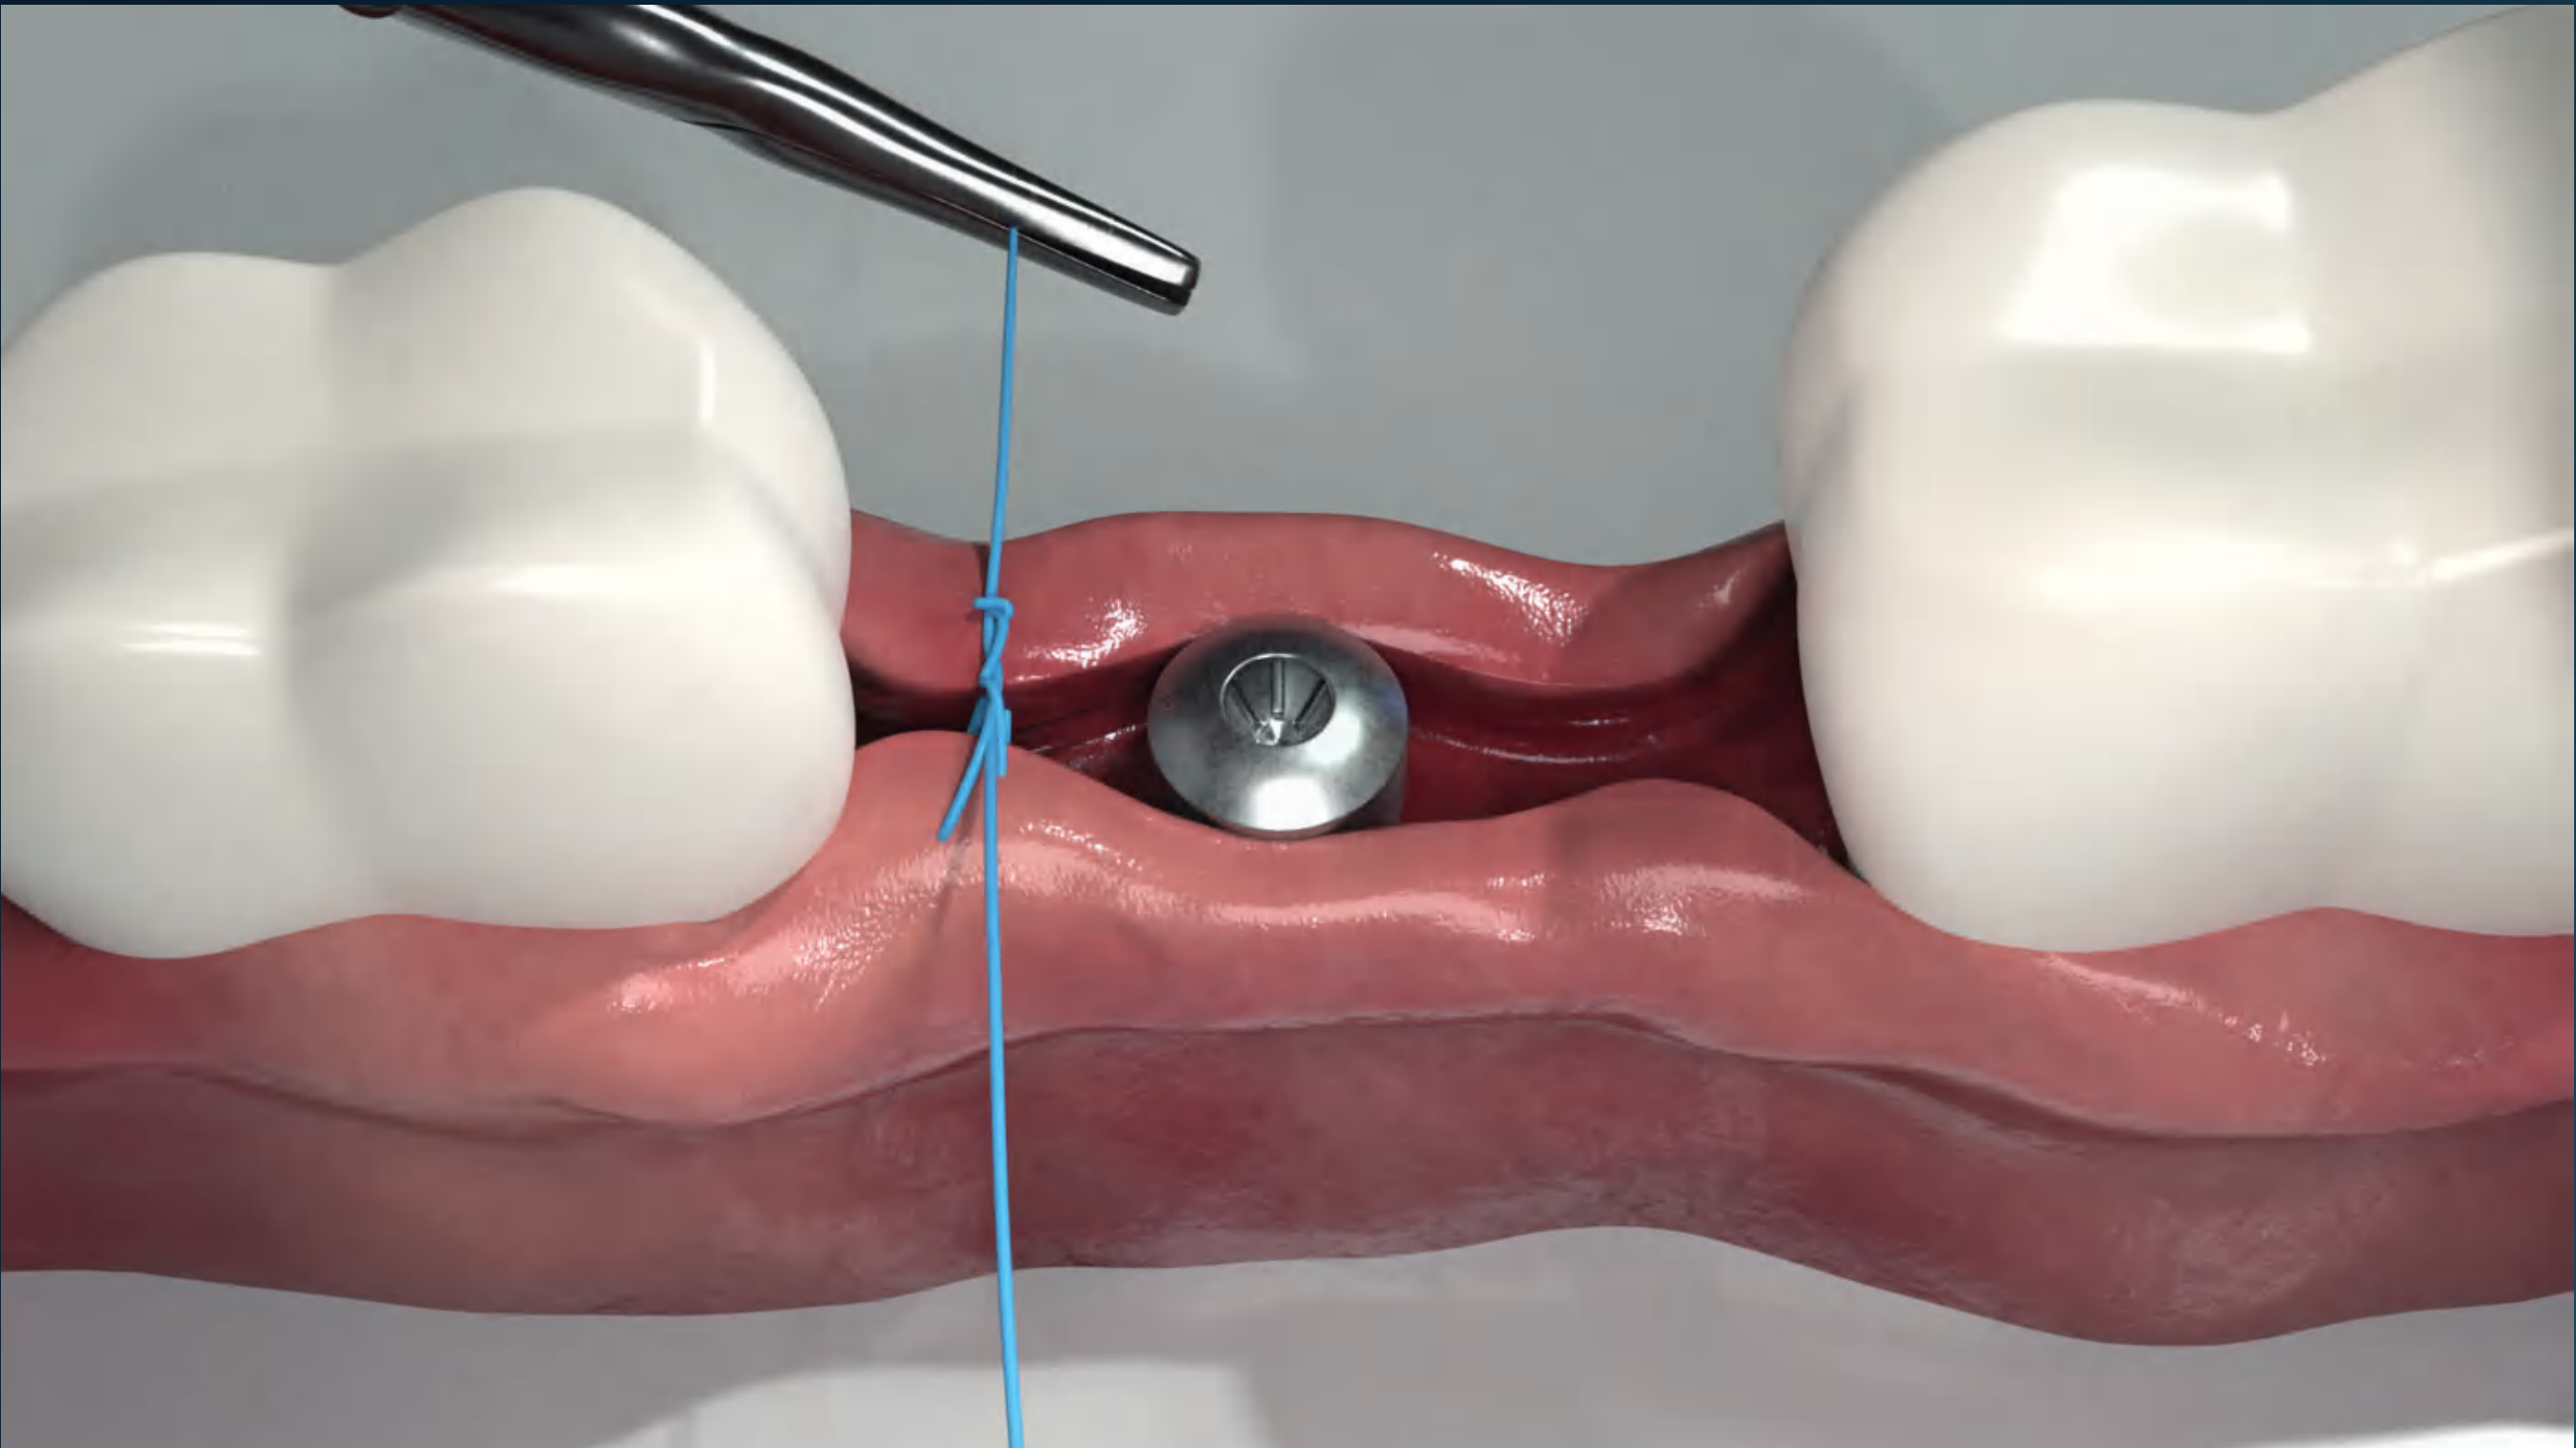

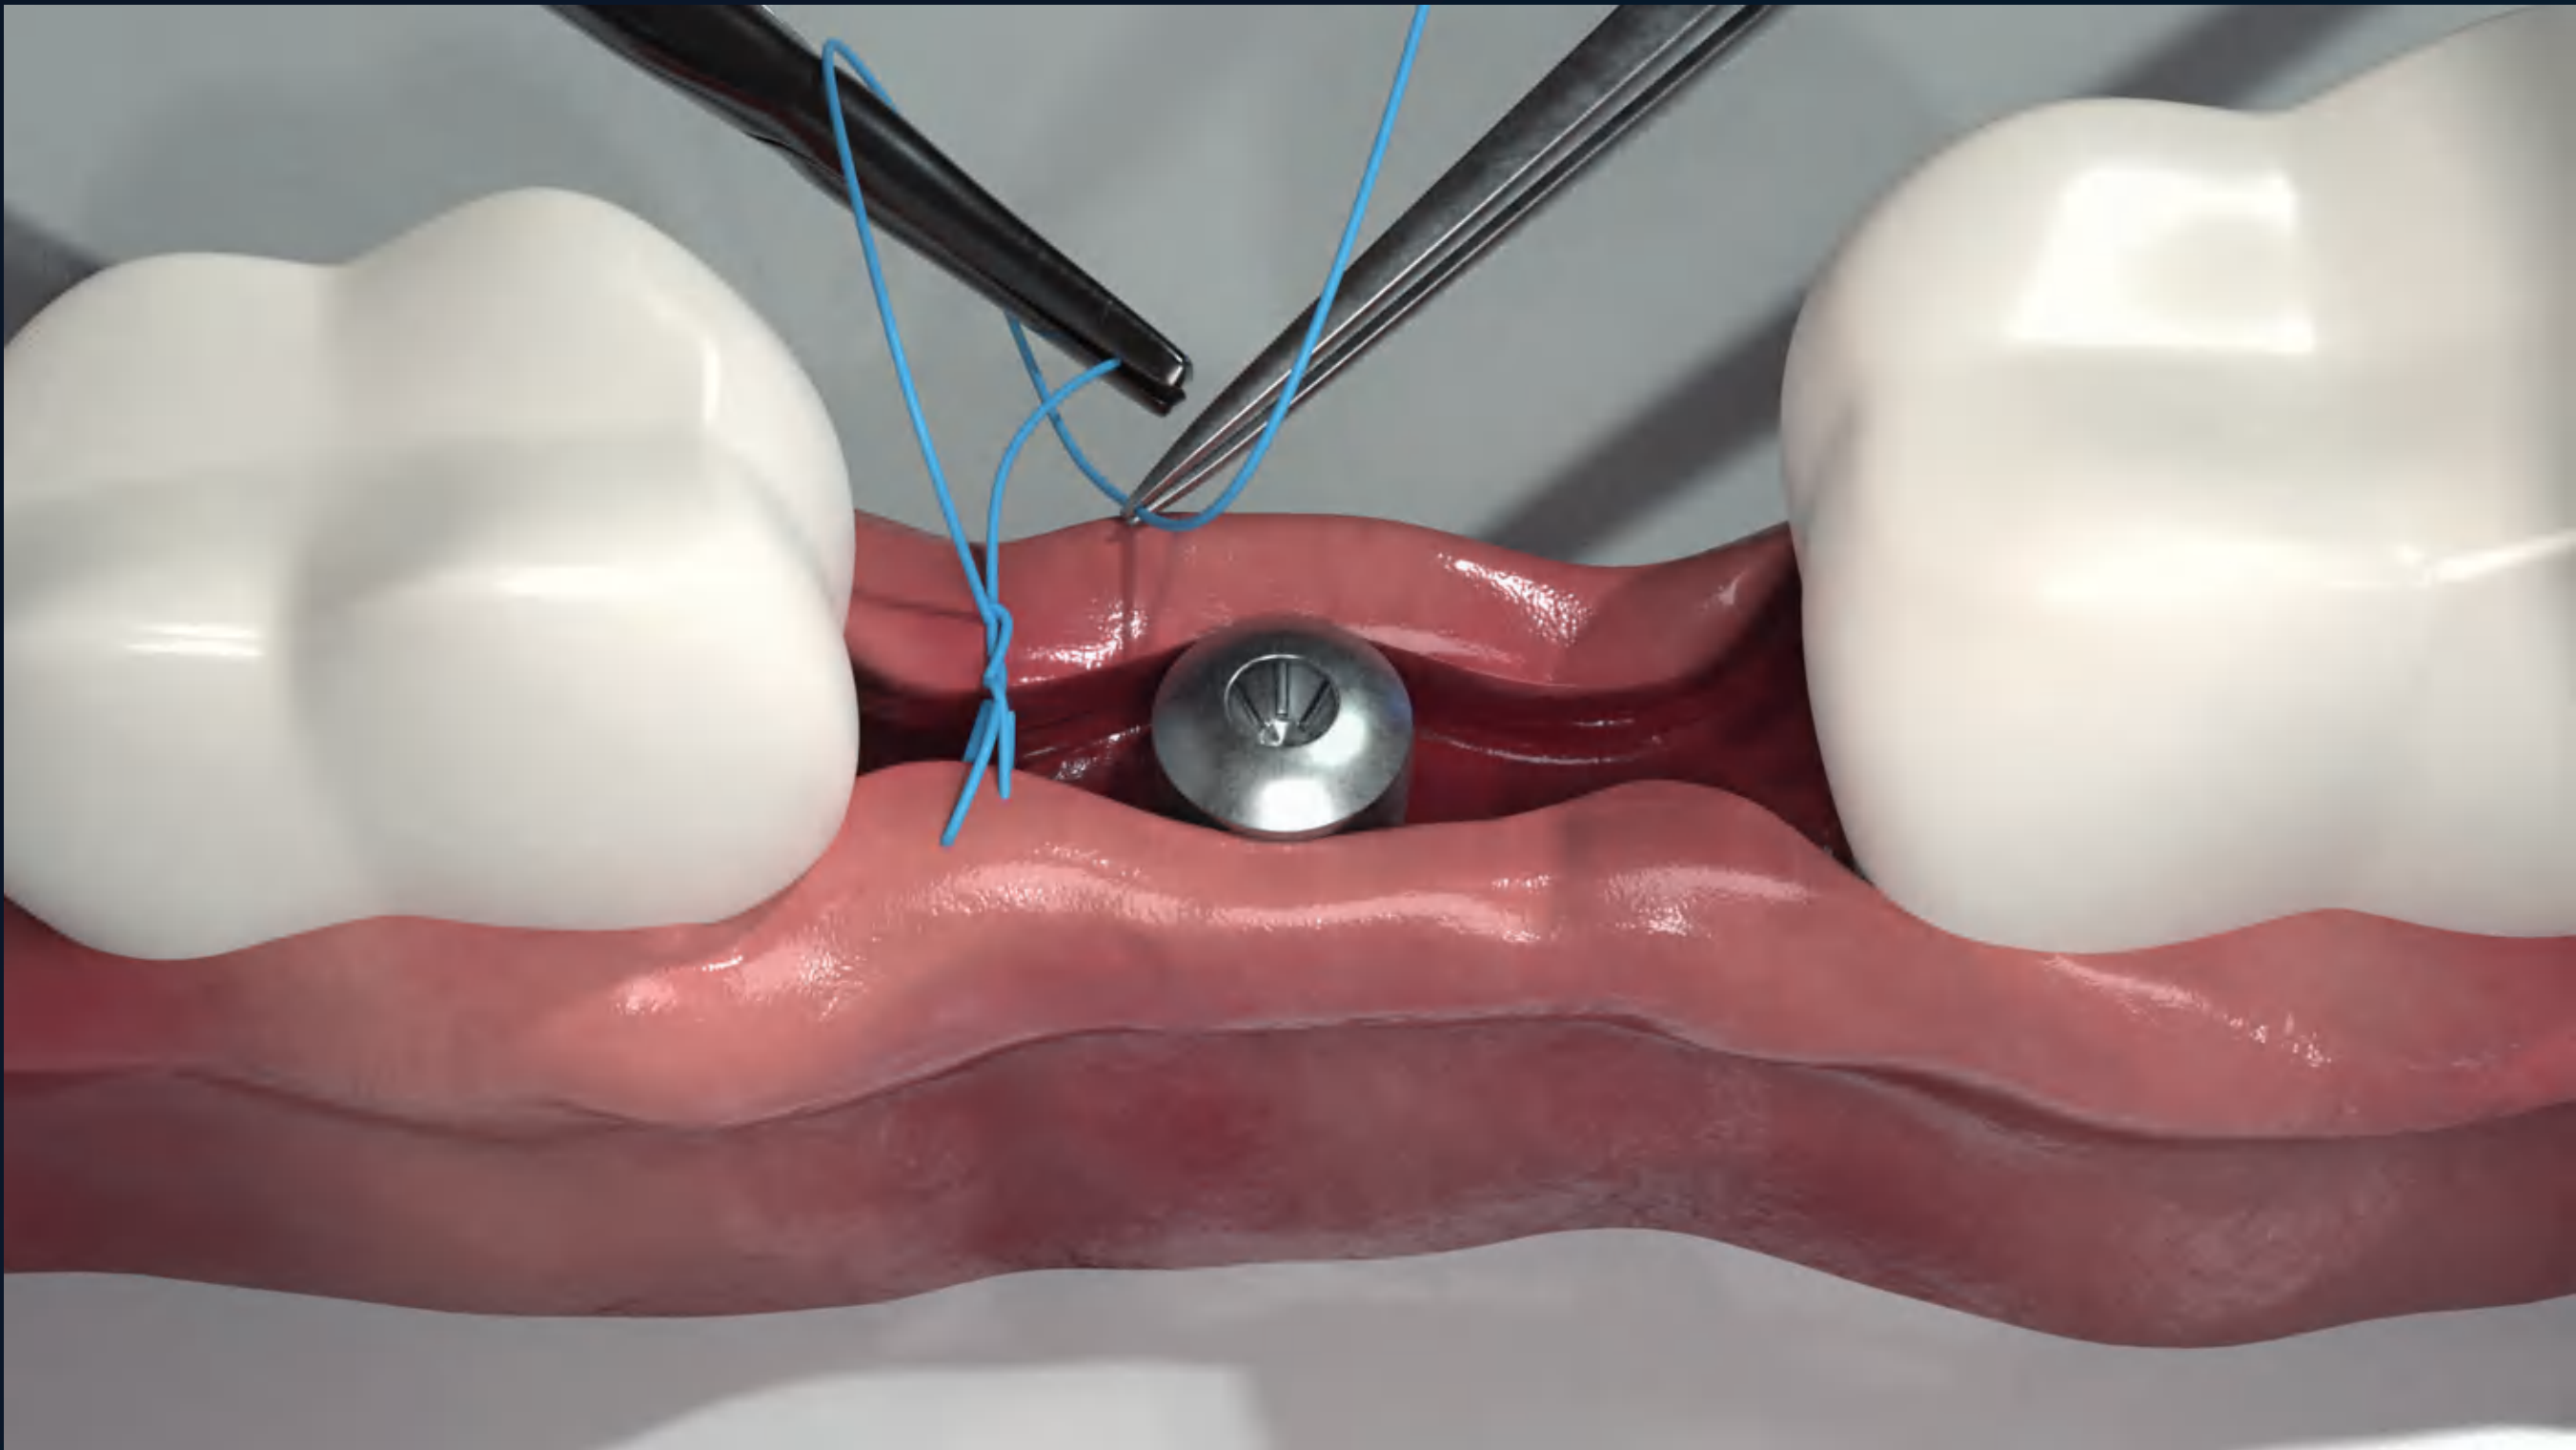

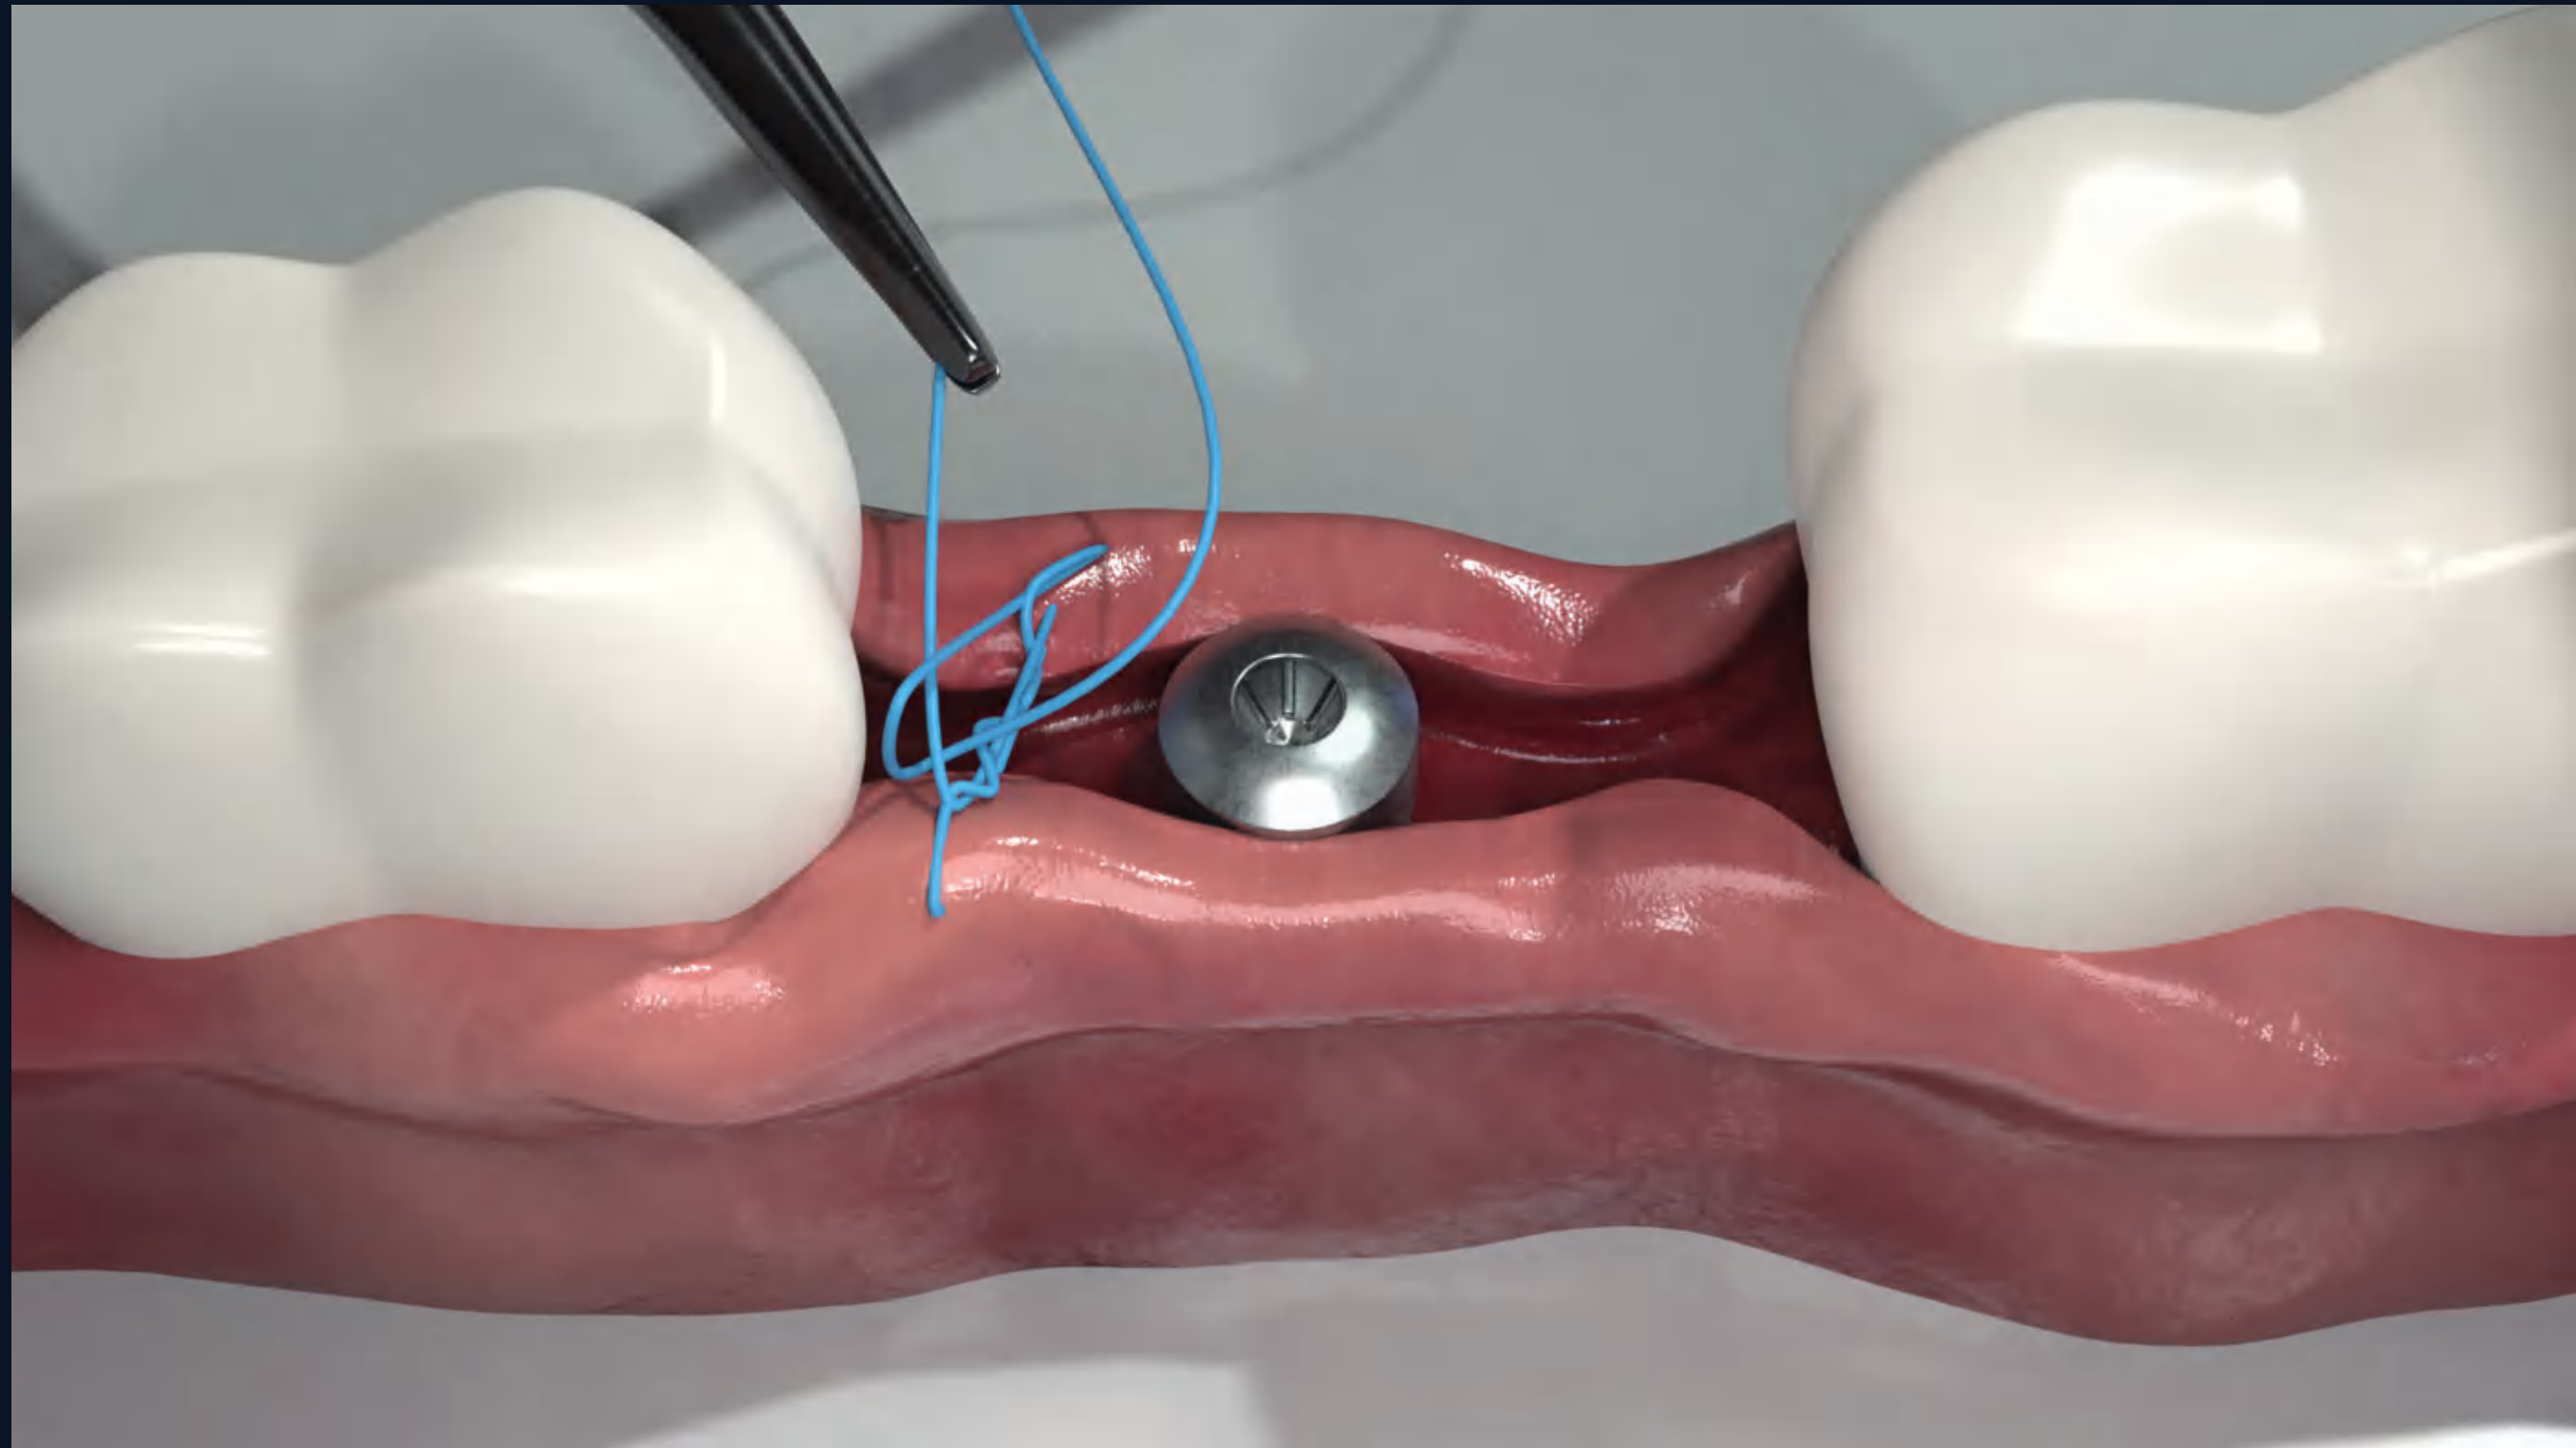

Il est l'auteur de plusieurs articles internationaux ainsi que nationaux, de chapitres de livre. Il participe en tant que conférencier à des congrès nationaux et internationaux. Il est actuellement assistant hospitalo-universitaire en parodontologie au sein de l'Université de Bordeaux. De plus, il exerce en pratique privée de façon exclusive en parodontologie et implantologie, au sein du cabinet de groupe Odontia.
